Summary of Assessment

1. A Panjab Institute of Medical science, Jalandhar, Punjab, is run by PIMS Medical & Education Charitable Society.
2. The college has got Permission from GOI/MCI with intake of 150 seats for the last academic year.
3. Type of assessment: C.O.R SURPRISE No. of seats: 150
4. PG courses : No
5. Deficiency of teaching staff if any:
Shortage of teaching faculty is 4.54%

6. Deficiency of resident doctors if any:

Shortage of resident doctors is 36.25%

7. Deficiency of the infrastructure of college and hospital If any: Nil

8. Deficiency of clinical material If any: Bed Occupancy is 60.76%.

9. Any other Remarks

- a. Since this was a surprise assessment, the college did not have Original Declaration forms ready. The Xerox copies of previous declaration forms (Most of the forms) were taken (which were there in the records of the college) and the faculty/Tutor/Resident were made to sign in front of the assessor during verification.
- b. The attendance of the faculty can be verified from the MCI site as they have all marked their attendance on OFAMOS on 12.11.2018. They have been marking their attendance regularly on OFAMOS for the last one and a half years.

→ Many of the J.P.'s are on long leave, because of forthcoming P.C. entrance examinations of AIIMS on 18th Nov, NEET PG in Decent and other examinations. Few Residents have not married recently and Bed occupancy remains more than 80%. and clinical material is uploaded on the college website every month. On the day of inspection the bed occupancy was low because 7th Nov was holiday because of Diwali, 8th Nov. was Gazetted holiday on account of Vichavakarna day, + 9th Nov. was Bhai Dooj. All these are major festivals of Punjab and most of the patients take discharge before these festivals and 12th Nov was 1st working day after these festivals.
