Verification of compliance submitted by institute:

No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the Assessment
1.	Deficiency of faculty is 22.6% as detailed in the report.	I bring to your kind notice that there was lot political unrest in the A.P. State on the issue of communal reservation and gone to the extent of burning the train which was well covered in the National news too. The doctors who went to their native places in the week end, even from nearby towns also could not attend before 10 AM and those who could attend after 11 AM were not counted by the Assessors as per the MCI regulations even though there was an attendance of more than 95%. The order of 144 section issued and the paper cutting xerox copies showing the terrible agitation happened in the A.P. State during that time was enclosed for your kind perusal.	Deficiency of faculty is 0.61% Deficiency rectified.
2.	Shortage of Residents is 15.29% as detailed in the report	The same explanation I submit for the shortage of Residents on the same day though they were more than 95% in attendance but they were not counted because of late arrival to their duties by few hours for the reasons explained. I request you to kindly consider the matter. Attachments enclosed in point no.1 above.	Shortage of Residents is Nil Deficiency rectified.
3.	Bed occupancy is 35%(i.e.,284 out of 790) as per the	For the reasons explained earlier the bed occupancy was little less but not gross as the assessor could not cover all the wards and in	Bed occupancy is 82% Deficiency rectified.

Signature of Assessors

Signature of Dean/Principal

No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the Assessment
	observations of assessors	few wards only the occupancy was less. The section 144 was also imposed during that time and the transport facilities also were very much hampered due to political unrest in our area. The occupancy earlier in the Hospital may kindly be verified from the reports of previous inspections held and also from the inspections held in various Post graduation subjects in the recent times and hence I request you to consider the matter for the valid cause explained by me.	
4.	None of the Declaration Forms were signed by Declarant, HOD & Dean of the Institute.	All the declaration forms were filled and ready but they did not allow us to sign in front of them though I could sign few of them. I promise that hereafter I shall see that all are signed by the candidates, HOD and DEAN well before the inspection.	Declaration forms verified today are complete in all respect. Deficiency Rectified.
5.	Majority of forms did not have Form 16 / salary certificate.	Form 16 / Salary Certificates of all the doctors are available but the assessors expected them to be inside the declaration form and the forms submitted separately were not accepted for the reason that they were not enclosed in the declaration form. I shall see that this mistake will not be repeated in future with a humble request to kindly consider the matter.	Declaration Forms verified today are complete in all respect. Deficiency Rectified.
6.	Many D.F. did not have photographs; whichever forms had photographs those were not	The Photographs of the few persons submitted little late were not accepted by the assessors and hence they could not be attested too. I promise that proper care will be taken in this matter in future.	Declaration forms verified today are complete in all respect. Deficiency Rectified.

Signature of Assessors

Signature of Dean/Principal

No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the Assessment
	attested.		
7.	Good number of patients on Medical & Surgical wards does not require hospitalization.	There are few patients who recovered from their illness in Medical and Surgical wards and about to discharge are considered as non-admission requiring patients, as there was no ample time to go through the details of each individual case of the entire hospital though there are many academic oriented cases also in the wards.	Patients admitted are genuine. Deficiency Rectified.
8.	ICUs: There were only 2 patients in ICCU who did not merit admission in ICCU - one was having VSD and another one was having seizures.	Always the occupancy in ICCU is more than 80% but on the inspection day morning as two patients were discharged and two more patients were shifted to their ward after the acute period was over, there appeared to be less occupancy and request you to consider the matter as the emergency occupancy is sometimes variable. One case with VSD - post delivery with cardio respiratory distress and the other one with epilepsy with high blood pressure with chest pain for which they were admitted on the day of inspection.	MICU - 6/6 (Patients/Beds) ICCU - 6/6 SICU - 6/6 NICU - 7/7 PICU - 5/6 Deficiency Rectified.
9.	OPD attendance figures submitted by college appear to be inflated as per observation of assessors.	As the OPD statistics are given till the afternoon though they appeared less at 10 AM but at the time submission of final report in the afternoon, the actual fact appeared like inflated, as most of the OPD turn over is from 10 AM to 2 PM and I request you to consider the matter.	OPD attendance is 1429 & are genuine patients. Deficiency Rectified.
10.	Data of operations, radiological workload &	Actual record of operations till afternoon was given to the assessors. As it is a tertiary hospital in the entire are, the Radiological and Laboratory investigations from outside hospitals in and around this area will be referred to this hospital and hence	Data of operations, radiological workload & laboratory investigation workload mentioned in clinical material is genuine and adequate.

Signature of Assessors

Signature of Dean/Principal

No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the Assessment
	laboratory investigation workload appear to be inflated.	there appeared to be some inflation in statistics. This is the regular work load the hospital is having for your kind consideration	Deficiency Rectified.
11.	Although rooms are available, to accommodate 3 students would amount to overcrowding in each room. Further, each room does not have individual tables & Chairs. Deficiency is partially rectified.	As some repair works in few rooms were going on, some of the students were temporarily adjusted in other rooms and hence a crowded appearance on the day of inspection but the problem is solved in matter of two weeks as the works were completed. There is adequate space available in the hostels. New blocks also were constructed. The tables and chairs are also provided in all the rooms which were disturbed during the repairs time.	<p>Hostels: All rooms in all hostels are adequately furnished. UG - 609 Capacity available as per Council's norms. 34 two seater new rooms created - 102 additional capacity added.</p> <p>Resident - Total 201 capacity is available as per Council's norms. 18 two seater new rooms are created thereby adding 36 additional capacity.</p> <p>Interns - Total 152 capacity available as per Council's norms. Deficiency Rectified.</p>
12.	Nurses' Hostel: It is in poor state. In a room of 15 sq.m. 6 Nurses are staying. It is highly overcrowded with	Extra space provided and the problem of overcrowding is rectified and the Nurses hostel was provided with Iron racks and tables and with good ventilation facilities.	Nurses Hostel: 91 adequately furnished capacity is available as per Council's norms. Deficiency Rectified.

Signature of Assessors

Signature of Dean/Principal

No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the Assessment
	poor ventilation, no almarahs, no tables & poor toilets.		
13.	Wards: Nursing station is not available in all the wards. It is only name sake with a small table and chair. There are no emergency tray or ambu bags in those stations. Pantry is not in satisfactory condition.	As few of the Nursing stations went for repair works on the inspection day, very few of the wards were managed with tables and chairs but presently all the Nursing stations are available in all the wards as per the norms with all the necessary equipments and records. Pantry is also well maintained in all the wards	Wards: Nursing station is available in all the wards. Emergency tray & ambu bags are now available in those stations. Pantry is as per Council norms. Deficiency Rectified.
14.	RHTC: There is no generator; hence functioning of cold chain equipment is doubtful.	In RHTC the ILR Machine seen by the assessors on the day of inspection was a new Machine with 22 hours cold chain back up inspite of continuous power failure. However the Generator was also provided as a back up. The cold chain is very carefully maintained with all its records	RHTC: There is generator. Cold chain is maintained. Deficiency Rectified.
15.	Examination Hall: Many chairs did not have strip tables or tables	In the Examination Hall few strip chairs went for repair and hence in that place temporarily plastic chairs were given but with writing planks for the students. Now all the chairs are of strip type only in	Examination Hall: Adequate chairs with strip tables or tables with tops are available. Deficiency Rectified.

1) Deficiency of Teaching Faculty : 0.61%

2) Deficiency of resident doctors : Nil

Revised

Signature of Assessors

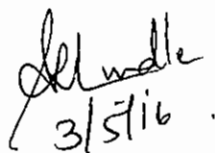

Signature of Dean/Principal

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together. (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only. (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor. (d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only. (b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department. (c) Any excess of JR cannot compensate the deficiency of SR in same or any other department. (d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Students 'hostel: Available capacity is 550 against requirement of 565 as per regulation.	Regarding the Students 'Hostels, there are 5 blocks in the campus which can accommodate 730 students instead of the 550 mentioned in the report. Each room can accommodate 3 persons as per norms. The Photographs of the Hostel Blocks with details of their accommodation capacity are herewith enclosed for your kind consideration.	Although rooms are available but to accommodate 3 students in rooms amounts to OVERCROWDING in each room. Some rooms do not have individual tables and chairs.
2	Nurses Hostel Accommodation available is for 45 Nurses against requirement of 53 as per Regulations	Regarding the Nurses' Hostels there are 2 Blocks – One with a capacity of 32 rooms and one with a capacity of 20 rooms which can accommodate a capacity of 104 Nurses instead of 45 mentioned in the report. Each room can accommodate 2 Nurses as per the norms. The Photographs of the Hostel Blocks with details of their accommodation capacity are herewith enclosed for your kind consideration.	The hostel is in poor state and looks like military barracks. In a room of 15 sq met , 6 nurses are staying . Highly overcrowded with poor ventilation, no almirahs, no tables and poor toilets.
3	Wards:Distance between 2 beds is < 1.5 m. Pantry is not available in any ward. Doctors' duty room is not available in some wards.	Regarding the distance between 2 beds with 1.5 meters which is less in some of the wards is corrected by construction of extra wards in the New Block of the Hospital building and the Photograph of the newly constructed block is enclosed for your kind perusal and favorable action. The non-availability of Doctor' duty room in some of the wards pointed out by the assessor during inspection is also corrected. Pantry is also made available in all the wards.	There is no Nurses station in all the wards. For name sake, there is one small table and chair in the name of nurses' station. Virtually there was no emergency tray in these stations and no ambu bags. Pantry is not in satisfactory condition. Good number of patients in the medical and surgical wards is the ones who do not require hospitalization.

Signature of Assessors

4	O.T. Register is not properly maintained.	Regarding the improper maintenance of OT Register, necessary corrections as advised by the assessor are made. The simultaneous entry of cases in the Register on the day of Surgery was not done in the Surgical OT on the day of inspection and the physical verification of cases in the Postoperative ward is done by the assessor but simultaneous entry in the register was not done. The correction is done and proper maintenance of Operative records are done regularly now and requested to consider the matter.	Deficiency rectified
5	ICUs: There were only 2 patients in ICCU on day of assessment.	All the ICUs on the day of surprise inspection are with nearly 70 to 80 % occupancy and two patients in the ICCU were shifted to their respective wards as they had settled well and the actual occupancy was 4 out of 6 beds. On the same night 3 more patients were admitted and hence it had occupancy of 5 out of 6 beds. As the ICU occupancy is based on emergency admissions only, I request you to kindly consider the matter.	Only two patients, were there and they were not actual ICCU patients, one was having VSD and the other was having seizure and both these patients did not merit ICCU admission
6	Physiology Department: Space of demonstration Room is inadequate. Audiovisual aids are not available.	Regarding the space of Demonstration room in Physiology department, I bring to your kind notice that all the Demonstration rooms in the College side from the beginning of the College are 70 Sq. mts only as per MCI norms and Photograph of the Demonstration room with the measurements is enclosed for your kind	The space of demonstration room was found to be adequate, but the chairs used for students are not strip chair, they are plain plastic chairs. Audio visual aid was available in the said department

		consideration. All the 21 departments are provided with Audio visual aids and as they were under lock and key with the HOD of Physiology, they were not displayed outside and this happened only in the department of Physiology. As regular teaching is going on in all the departments with audio visual aids, I request you to kindly consider the matter.	
7	RHTC: Cold Chain equipment is inadequate. Record maintenance is very poor.	Regarding the Cold Chain maintenance in RHTC, the existing old Machine is replaced with the new one which was in transit during the time of surprise inspection. However the cold chain was maintained with generator back up also. Regarding the Record maintenance, there are 22 registers that are maintained regularly and photos showing the names of the records are enclosed for your kind consideration.	Cold chain machine is available but functioning, no generator is available, 5 registers were available maintained up to 31-01-16
8	Capacity of Examination Hall cum Auditorium is 500 against requirement of 750.	In view of the internal assessment examination of Physiology, arrangement was made for 500 seating capacity in the existing hall though it is of 750 capacity which was verified by the assessor. Hence I request you to consider the matter.	Capacity of the examination hall is adequate but many seats do not have strip tables or tables with tops for the students use, plastic chairs were kept simply to add to the count

Medicine -4, Pediatrics-2, TB & Chest -1 , Psychiatry -1, Surgery-3 & Radiology -1), Tutors -7 (Biochemistry -2 , Pharma -2 Microbiology-1 and PSM-2)

Shortage of resident doctors: 15.29 %(13 out of 85) Senior resident – 9 (Medicine-1, TB & Chests -1 , Eye -1, Anesthesia -2 & Radiology-4) Junior resident -4 (Psychiatry -2 & Eye -2)

Remarks, if any:

1. None of the declaration forms of the faculty, Tutors and resident has been signed by the declarant, HOD and Dean.
2. Many declaration forms did not have the photographs and whichever forms had photographs, were not attested.
3. Majority of forms did not have Form 16/ salary statement/salary certificate.
4. Since majority of the faculty and Resident were present during previous inspection, they were taken into account on this basis only.

Following teaching staff could not be counted due to reasons mentioned against each:

Name	Designation	Department	Remarks/Reasons
25 Jr of different departments (List attached)	Junior Residents		Gone for Peripheral postings in different Govt. Medical Colleges
T. Venkateswara Rao	Prof.	General Surgery	Certificate for teaching experience lacking.
S. V Ramana, T Shobha Rani, Sulekha Renu Vasant, P S N Raju, K. Ramesh	Prof	E N T, Microbiology, S P M, Obst & Gyn, D V L	Absent
N. Ratna Kumari, V. Vinila, P. Jhansi	As Tutor	Physiology, Anatomy, Biochemistry,	Due to their qualification as M.Sc

Signatures of the Assessors

Date:

11.7.15

Signatures of the Dean/Principal

Date: 11.07.2015

11/7/15

Name	Designation	Department	Remarks/Reasons
Lakshmi, D. Rekha Kumari, M. Subudhi, M. Farid babu,		Microbiology	Medical Science in concerned subject and not having Ph. D qualification, hence as per MCI ammendments they are considered as Tutor

Shortages Teaching Faculty 2.38 % (i.e., 4 out of 168) Shortage of Resident doctors 2.8 % (4 out of 139)

Summary of Assessment

- KONASEEMA INSTITUTUE OF MEDICAL SCIENCES & RESEARCH FOUNDATION, is run by Trust M/s MOTHER TERESA EDUCATIONAL SOCIETY.
- The college has got LOP from GOI/MCI with intake of 150 seats for last academic year 2014-15.
- Type of assessment: Continuation of Recognition No. of seats: 150
- PG courses : Yes
- Deficiency of the infrastructure of
College - Demonstartion Room of Physiology having inadequate space and no A V Aids were found on the day of assessment.
Kitchen was found unhygienic.
Exam hall cum auditorium is having 500 capacity against 750.
Cold chain equipments are inadequate and not properly maintained.
Record maintenance procedures in UHTC and RHTC are very poor.

Hospital - in some wards of demonstration area capacity is somewhat less, wards do not contain store room and Pantry, Distance between 2 beds is less than 1.5 mts
OT Register not properly maintained.
- Deficiency of teaching staff if any:

Signatures of the Assessors

Date:

11-7-15

Signatures of the Dean/Principal

Date: 11-07-2015

11/7/15

Shortage of teaching faculty is 2.38%

7. Deficiency of resident doctors if any:

Shortage of resident doctors is 2.8 %

8. As regards the controversy relating to some faculty members of Anatomy, Physiology and Biochemistry we say and submit that two faculty members namely D. Rekha Kumari and M. Farid Babu were appointed as Asst Prof much before the amendment came into force.

Y. Srinivasa Rao has already left the college and Ratna Kumari joined in 2014.

It is true that none of them is having Ph.D qualification in Medical Science.

Hence all are counted as Tutors as per amendment and appropriate decision may be taken by the MCI.

1. Deficiency of faculty is as under:

(a) The following faculty were not available: (Include those who are not available, absent, not signed attendance sheet before 11 a.m.)

(I) Professors: NIL (write name of departments)

(II) Associate Professor: Physiology 1, P S M 1 (write name of department & number)

(III) Assistant Professor: Anatomy 1, Physiology 1 (write name of department & number)

(IV) Tutor: NIL (write name of department & number)

(b) The following faculty have not been considered even though present due to reasons mentioned hereunder:

#	Name	Department	Designation	Reason for not considering
1	Dr. T. Venkateswara Rao	General Surgery	Professor	Teaching experience certificate couldnot produce.

(c) In view of above, resultant deficiency of faculty is 2.38 % (i.e. 4 out of 168).

2. Deficiency of Residents is as under:

(a) The following Residents were not available: (Include those who are not available, absent, not signed attendance sheet before 11 a.m.)

(I) Senior Resident: NIL (write name of departments & numbers)

(II) Junior Resident: 25 Different Departments list attached (write name of department & number)

(b) The following Residents have not been considered even though present due to reasons mentioned hereunder:

#	Name	Department	Designation	Reason for not considering
	NIL	NIL		

(c) In view of above, resultant deficiency of Residents is 2.8 % (i.e. 4 out of 139).

All 4 in General Medicine

To,
The Secretary
Medical Council Of India
Sector -8, Pocket -14,
Dwarka,
New Delhi-110077

Sub: Assessment report in respect of KIMS,Amalapuram.

Madam

In response to your email No:MCI-3G(4i)(UG)/2015-Med/AP/ regarding assessment of the physical and the other teaching faculty available for continuation of Recognition of MBBS degree (150 seats).I would like to submit the following for your kind response and necessary action thereof.

Further, I would like to state that the draft of 3 lakhs which I was advised to collect on behalf of MCI from the college authority is stated to be already deposited, a Xerox copy of which is attached here with

- 1) Filled up SA II form with soft copy
- 2) Videographer CDs
- 3) Annexure
- 4) Attendance sheet of faculty
- 5)

Thanking you,

Yours sincerely

Nemai C Nath
