	<p>lack of experience. However it is submitted that all three of them hold PG degree from the recognised institutes in the respective subjects and are therefore eligible to be considered as senior residents. Recognized Degree certificates of these three are attached as <b>Annexure -I.</b></p> <p>ii) With regard to seven residents shown as not residing in campus and therefore not considered, it is submitted that we had total 86 residents against the requirement of 62 residents and even if these seven residents are not taken into consideration there would be no resultant deficiency.</p> <p>iii) Considering all the above factors the net deficiency even as computed by the assessors would be 1.6% which is within the condonable limit. However, as per our record as we have 86 residents there is no deficiency of residents.</p> <p>iv) A copy of bank statement for disbursement of salary for the month of Nov'2017 onwards to all the 86 residents is attached as <b>Annexure -II (A) &amp; (B)</b> for your reference.</p>	
<p><b>2. Residents :</b>  (A) On residents hostel round the assessors have verified/cross checked some rooms randomly and have found that many residents are not staying in hostel. Also written statement of Syed AzizurRehman, SR Medicine, Dr,</p>	<p>All the residents have been given residential accommodation in the campus. They have been also instructed that they must stay in allotted accommodation. The list of allotment of residential accommodation of all 86 residents as of 6-7 December'2017 is attached herewith as <b>Annexure -III.(A).</b> The present allotment list as</p>	<p><b>Deficiency rectified and verified. Copy of allotment to residents attached.</b></p>

<p>Fathima, SR OBGY Dr. OwasisAnjum JR Orthopaedics, Dr. RatnaPriya, SR ENT, Dr. Shalinipunia, JR Dermatology, Dr. Rabia Syed, Jr Dermatology and Dr. Sana Parvez, JR Surgery clearly indicating that many residents are not staying in the hostel/campus.</p> <p>(B)As per dean written signed documents of list of residents hostel. Dr. Agarwal Mohini, SR OBGy staying in room no D-102 but occupant of room D-102 Dr. fathimaAnees. SR OBGy as given statement that Dr. Agarwal Mohini is not staying in hostel. This contradict statement of Dean and Senior Resident have to be enquired by MCI.</p>	<p>on 19/01/2018 as <b>Annexure III-B.</b></p>	
<p><b>3. Unit System:</b></p> <p>Unit system is not followed. Patients are admitted in haphazard manner without separating Unit. On day of assessment, it was O.T. day for General Surgery Unit 3 but Units 2, 3, 4 were found to be operating</p>	<p>It is submitted that unit system is implemented and followed in all the departments where there are more than one unit. Patients are admitted as per OPD days allocated to various units and are operated accordingly. However, we have excess OTs than required which are utilized by various departments for their optimal utilization and also taking into consideration the emergent situations. The deficiency is thus rectified.</p>	<p><b>Deficiency rectified and duly Verified.</b></p> <p><b>Letter from Dean attached regarding the implementation of the system</b></p>
<p><b>4. Nursing:</b></p> <p>Nursing staff: Total available Nursing</p>	<p>It is submitted that Nursing Staff on pay roll at the time of Assessment was 305 against the requirement</p>	<p><b>Deficiency rectified and duly Verified.</b></p>

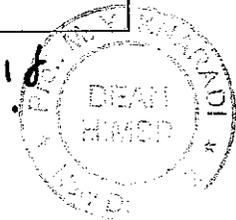

Signature of Assessors

<p>staff is claimed at 305; however this does not match with account statement. Head count of Nursing staff of 2 shifts was 147 against total 247 required.</p>	<p>of 247. Bank statement of Nov'2017 is attached herewith as <b>Annexure –IV (A) &amp; IV (B)</b> as of <b>December'2017</b>.</p>	<p><b>Letter from MS attached</b> <b>Total number of nursing staff is 313.</b></p>
<p><b>5. Paramedical &amp; Non-Teaching:</b> Paramedical &amp; Non-teaching staff: Total available Paramedical &amp; Non-teaching staff is claimed at 241; however this does not match with account statement. Head count of Paramedical &amp; Non-teaching staff of 2 shifts was only 38 against total 179 required.</p>	<p>It is submitted that Paramedical &amp; Non-Teaching staff on pay roll is 334 against the requirement of 179. Bank statement of Nov'2017 onwards is attached herewith as <b>Annexure – V (A) &amp; (B)</b></p>	<p><b>Deficiency rectified and duly Verified.</b> <b>Letter from MS attached</b> <b>Total number of paramedical &amp; non teaching staff is 243 while requirement is 179.</b></p>
<p><b>6. Patients:</b> A. One patient bearing IP No. 0977023 admitted on 6.12.2017 in 4<sup>th</sup> floor male surgery ward in bed no 64 under unit-1, Dr. P K Ganguly with small ulcer over leg which can be evaluated and managed OPD basis and seem to be admitted only to increase number of inpatient and increase bed occupancy percentage. b. It was notice, in BHT of one patient name Sarita, 30 years female, IPD No. 6730 admitted on 3/12/2017 under in unit-ii orthopedics under Prof. Sandeep, no signature of any doctors was found in case history sheet and examination sheet. In subsequent pages no date and time was</p>	<p>i) It is submitted that these patients were admitted because of their condition as decided by the admitting Doctor and also for teaching purposes. ii) All the Doctors have been instructed to sign history sheets, physical sheet &amp; treatment sheet and complete the case record as required. iii) All the concerned departments have been instructed to send the planned OT list, a day prior to fixed OT days under the signature of faculty which is now being followed. iv) It is submitted that the bed occupancy at 10 AM on the date of assessment was 77% as shown by the assessors in the table of clinical material in the report. It is further submitted that even assessors have not lowered the bed occupancy figure in the</p>	<p><b>Total no of patients in the hospital were verified. The bed occupancy was 368 out of 470 beds. The occupaney works out to be 78.29%. The veracity of the patients were verified and the patients had genuine complaints warranting admission in the hospital.</b></p>

Signature of Assessors

Signature of Dean/Principal

mentioned and no signature of any doctor was found.

c. Similarly no signature of doctor was found in history sheet and physical examination sheet of one patient named Ms. Chand Begum, 60 years female bearing IPD no. 0976997, admitted in General surgery ward under unit-1. Illegible signature of doctors in treatment sheet was got identified by any resident, faculty and nursing staff in this patient.

d. As above no signature was found history sheet, physical sheet and treatment sheet one in patient named Mohd. Wasir, 58 years male, bearing IP no. 0976853. No treatment was given in this patient though the patient was admitted to control the high blood pressure.

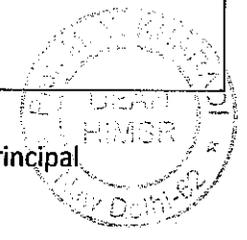

e. Unit number and name of the attending doctors was not written in BHT of Mr. Parg Aggarwal, 18 years male bearing IP no. 0776971, no doctors, faculty signed in case of history sheet and physical examination sheet and treatment sheet of this patient.

f. In SAF – Part- I, MRO has given singed data of last 12 months average that number of admission in hospital is 136 and number of discharge case is 103. So

summary remarks which is shown as 77% in the table of clinical material, This implies that bed occupancy of 77% as shown in the table of clinical material is after deduction of 5 patients shown by the assessors not meriting admission. Therefore there is no deficiency in bed occupancy.

Signature of Assessors

Signature of Dean/Principal

<p>the number of admission is more than the number of discharge daily by 33 in number. So in year about 33x365 days= 12045 patients will be surplus and this is not possible so whole MRD data are faulty/fake more enquiry should be done by MCI regarding this issue.</p> <p>g. In planned OT list there was no signature of any faculty in department of Surgery and ENT. Planned surgery list of OBG, it was prepared on 6/12/2017 its means same day not previous day. Ophthalmology planned list was signed illegible and ot identified by anyone and on rough work sheet.</p> <p>h. On the day of assessment also total admission indoor was given 108 while discharge are only 15 upto 2 pm. This shows out of 362 indoor patients 108 was admitted on assessment day morning.</p>		
<p><b>7. Major Operations:</b> There was NIL Major Operation on day of assessment.</p>	<p>It is submitted that there were 11 major surgical procedure performed on the day of Assessment. However, once the team of assessors visited College/Hospital on 6<sup>th</sup> Dec'2017, the doctors got busy in the assessment process, the elective operations were postponed and therefore only 11 major operations were performed on that day. Average number of major operations is more than</p>	<p><b>The list of operations underway at the time of assessment verified.</b> <b>There were operations being carried out as under –</b> <b>General Surgery- 10</b> <b>Orthopaedics- 08</b> <b>ENT- 03</b> <b>Ophthalmology-01</b></p>

	17 daily as <b>Annexure – VI (A)</b> . A copy of the OT list of one week is attached herewith as <b>Annexure – VI (B)</b>	<b>Obs&amp; Gyn- 02</b> <b>Copy of OT lists attached.</b>
<b>8. Radiology :</b> Radiological & Investigation workload is inadequate.	Radiological & Lab investigation have increased and are presently more than the adequate. The data of Radiology & Lab investigations for one week is attached as <b>Annexure – VII.</b>	<b>Deficiency rectified &amp; verified</b>
<b>9. Wards :</b> a. Not a single ward is as per Medical Council of India norms. b. There are 38 wards in 2 blocks of Hospital., in medicine. Paediatrics, Obt. Gynae psychiatry, TB & Chest in door wards there are 10 beds per ward .in this 10 beds wards only empty table like non functioning nursing station was shown. For each 03 wards 10 beds each, one nursing station which was located outside these wards which is not at per of MCI norms. From such nursing station observation and looking after the patient is not possible. c. As per written statement of medical superintendent number of demonstration room, examination room, duty room, pantry, store room are 10 (each) while as per MCI regulations in each and every	It is submitted that the wards have been laid down as per MCI Norms. Wish to inform further that since the inception this institute has faced 15 assessments and in none of these previous assessments such deficiencies have been pointed out by the Assessors of MCI. ii) In departments of Medicine, Pediatrics, O&G there are wards of 30 beds which are partitioned in three partitions of 10 beds each. Each partition is provided with a fully equipped and functional, Nursing station manned by an individual nurse for each partition so that she is able to keep an eye on all the patients. This is done particularly with view of cross infection control and better patient management. iii) Each ward has ancillary facilities required as per norms. iv.) Names of the Doctors and unit are shown outside the wards. v) The distance between 2 beds is maintained	<b>Deficiency rectified and verified.</b>

**Reference: Your No. MCI-34(41)(Gen)/2017-Med./162115 Dated 22/12/2017**

Madam,

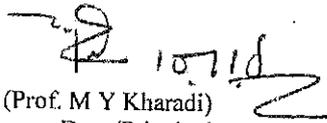

In reference to above cited subject, I wish to submit as under;

1. That as per the curriculum of Medical Council of India and Ministry of Health & Family Welfare, Govt. of India, as far as the administrative and academic control of Hamdard Institute of Medical Sciences & Research and Hakeem Abdul Hameed Centenary Hospital is concerned, has to be with Dean/Principal, HIMSR who is currently Prof. M.Y. Kharadi.
2. Normally Dean/Principal is solely responsible to Medical Council of India and Ministry of Health and Family Welfare, Govt. of India for all the administrative and academic matters of HIMSR and its associated hospital both blocks.
3. The final approving authority normally should have been of Dean/Principal, but unfortunately in this institution, the Dean/Principal does not have power of Administration/Financial, it vests with Prof. G.N. Qazi, Director General, who has been appointed as Director General by Hamdard National Foundation on 16/08/2016 (Annexure - I) after attaining superannuation from the post of Vice-Chancellor, Jamia Hamdard. Dr. G.N. Qazi is a non-medical Biochemist/Microbiologist and does not possess any medical degree.

We are aware that authenticity of complaint has been questioned (Annexure-II) and we have no mechanism to verify it.

This is submitted for your perusal and information please.

I hope this will suffice.

Subject: Complaint against Dr G N Qazi who is an engineer by profession but working illegally as Director General of Hamdard Institute of Medical Sciences & Research, and getting permission/approval by giving wrong facts to MCI  
Madam,

We would like to inform you that Dr G N Qazi who is an engineer by profession but working illegally as Director General of Hamdard Institute of Medical Sciences & Research, and getting permission/approval of Hamdard Institute of Medical Sciences & Research by giving wrong facts to MCI.

It is a settled law and rule that any medical college can only be run by the Dean as well as the Medical Superintendent of the institute and this statement /undertaking was given by the Hamdard Institute of Medical Sciences & Research to MCI, when they had applied for permission/approval by MCI. All staff has to be appointed in any MEDICAL COLLEGE/INSTITUTE as per MCI Regulations and there is no post or provision of appointment of Director General in any MEDICAL COLLEGE/INSTITUTE.

As per MCI Regulations

**REQUIREMENTS OF ACADEMIC QUALIFICATIONS for  
Principal / Dean / Director of Medical Institution besides TEACHING  
AND RESEARCH EXPERIENCE are as under-**

Post

Academic qualifications

*R.No - 002/2017/181 on dated 28.11.17  
Received By Post on Dates 28.11.17*

Principal / Dean /  
Director of Medical  
Institution.

Should possess the  
recognised postgraduate  
medical qualification and  
other academic  
qualification from a  
recognized institution  
with a minimum of ten  
years" teaching  
experience as  
Professor/Associate  
Professor/Reader in a  
medical college/Instt. Out  
of which atleast five  
years should be as  
Professor in a  
department. Preference  
for these appointments  
may be given to the  
Heads of the  
Departments.

Director / Medical  
Superintendent of the  
affiliated teaching  
hospital

Should possess a  
recognised post graduate  
medical qualification from  
a recognised Institution  
with 10 yrs.  
Administrative  
experience.

The dean as well as the medical superintendent who are medically  
qualified as per MCI REGULATIONS are working under him and are not  
allowed to take any independent decisions. Even all appointments/  
terminations/ extensions/ salary enhancements /purchase award of  
contracts are only done once the files have been cleared by him.

Different High Court and Supreme Court Judgments have stated that IMCAct & Regulations are statutory Regulations, mandatory and binding in character.

**There is a gross Violation of IMC Act 1956 and Regulations by appointing Dr G N Qazi who is an engineer by profession but working illegally as Director General of Hamdard Institute of Medical Sciences & Research.**

Following IMC Act, 1956 and Regulations are being violated by Hamdard Institute of Medical Sciences & Research

-IMC Act,1956

-Establishment of Medical College Regulations, 1999 --

-Teacher eligibility criteria as per "Teacher Eligibility Qualifications Regulations 1998."

-GRADUATE MEDICAL EDUCATION REGULAION – 1997

-Ethics Regulations 2002

Dr G N Qazi took charge as the vice chancellor of Jamia Hamdard in 2008 at the age of 62 years. One of the first acts that he got passed from the board of management was the changing of the retirement age of vice chancellor from 65 to 70 years.

In 2013 Hamdard Institution of medical sciences and research was allowed by the MCI to start admissions. In 2016 Dr G N Qazi on attaining the age of 70 on 14th August 2016 retired from the post of Vice Chancellor of Jamia Hamdard however he immediately took charge as the director general of HIMSR.

Since joining as the Director General of HIMSR Dr Qazi has been working independently and taking all the executive as well as all financial decisions related to HIMSR. The dean as well as the medical superintendent are working under him and are not allowed to take any independent decisions. All appointments terminations extensions salary enhancements purchase award of contracts are only done once the files have been cleared by him.

UGC during one of it visit has taken a note of this and has mentioned that there is no provision of appointing any one above the age of 70 in decision making capacity. Also MCI has no provision

of any post of director general in a UG institution where the final authority is the Dean. Where there are provision of creating a post of director general these post are given to medical doctor and not to non-medical people because Hamdard Institute of Medical Sciences & Research is a Medical College and not the ENGINEERING COLLEGE .

It is requested that immediately Dr G N Qazi who is an engineer by profession but working illegally as Director General of Hamdard Institute of Medical Sciences & Research **should be removed and all decisions taken during his tenure as Director General should be scrutinised.**

Different High Court and Supreme Court Judgments have stated that IMC Act & Regulations are statutory Regulations, mandatory and binding in character. This has also been upheld by the Hon'ble Supreme Court in the following cases:-

- I. **The State of Madhya Pradesh & Ors. V. Gopal D. Tirthani & Ors. – (2003) 7 SCC 83**
- II. **Harish Verma & Ors. Vs. Ajay Srivastava & Anr.- (2003) 8 SCC 69.**

The MCI has submitted an Affidavit in the Hon'ble High Court in which it was stated as under:-

".....18. That it is also respectfully submitted that it is settled law that the regulations framed by the MC I under Section 33 of the Act are statutory regulations and have mandatory force. It is also settled law that in case of any conflict between the MCI Act/Regulation shall prevail.

In this regard, the kind attention of this Hon'ble Court is invited to the following judgements of the Hon'ble Supreme Court of India.

- i) **Medical Council of India Vs. State of Karnataka & Ors. – (1998) 6 SCC 131.**

In this judgement, the Hon'ble Supreme Court of India, inter alia, held as under:

"24. The Indian Medical Council is relatable to Entry 66 of List I (Union List). It prevails over any state enactment to the extent the State enactment is repugnant to the provision of the Act even though the State Acts may be relatable to Entry 25 or 26 of List III (Concurrent List) Regulations framed under

Section 33 of the Medical Council Act with the previous sanction of the Central Government are statutory. These regulations are framed to carry out the purposes of the Medical Council Act and for various purposes mentioned in Section 33. If a regulation falls within the purposes referred under Section 33 of the Medical Council Act, it will have mandatory force....”

**ii) Dr. Preeti Srivastava & Anr. Vs. State of M.P. & Ors. (1999) 6 SCC 120.**

.....“52 Mr. Salve, Id. Counsel appearing the Medical Council of India has, therefore, rightly submitted that under the Indian Medical Council Act of 1956 the Indian Medical Council is empowered to prescribe, inter alia, standards of post-graduate medical education. In the exercise of its powers under Section 20 read with Section 33 of the Indian Medical Council has framed regulations which govern post-graduate medical education. These regulations, therefore, are binding and the States cannot, in the exercise of power under Entry 25 of List III, make rules and regulations which are in conflict with or adversely impinge upon the regulations framed by the Medical Council of India for post-graduate medical education. Since the standards laid down are in the exercise of the power conferred under Entry 66 of List I, the exercise of that power is exclusively within the domain of the Union Government. The power of the States under Entry 25 of List III is subject to Entry 66 of List I.

53. Secondly, it is not the exclusive power of the State to frame rules and regulations pertaining to education since the subject is in the concurrent List. Therefore, any power exercised by the State in the area of education under Entry 25 of List III will also be subject to any existing relevant provisions made in that connection by the Union Government subject, of course, to Article 254.

54. In *Ajay Kumar Singh V. State of Bihar* this Court examined the powers of the Indian Medical Council under Section 20 of the Indian Medical Council Act, 1956 and held that the power of the Council to prescribe standards of postgraduate medical education under Section 20 are only for the guidance of the universities. Since Section 20 refers to the powers of the Council to advise universities in the matter of securing uniform standards for postgraduate medical education throughout India, the Court said that the entire power under Section 20 was purely advisory. Therefore, the power of the Indian Medical

Council to prescribe the minimum standards of medical education at the postgraduate level was only advisory in nature and not of a binding character.

55. We do not agree with this interpretation put on Section 20 of the Indian Medical Council Act, 1956. Section 20 (1) (set out earlier) is in three parts relating to postgraduate medical education for the guidance of universities. The second part of sub-section (1) says that the Council may advise universities in the matter of securing uniform standards for postgraduate medical education throughout. The last part of sub-section (1) enables the Central Government to constitute from amongst the members of the Council, a Postgraduate Medical Education Committee. The first part of sub-section (1) empowers the Council to prescribe standards of postgraduate medical education for the guidance of universities. Therefore, the universities have to be guided by the standards prescribed by the Medical Council and must shape their programmes accordingly. The scheme of the Indian Medical Council Act, 1956 does not give an option to the universities to follow or not to follow the standards laid down by the Indian Medical Council. For example, the medical qualifications granted by a university or a medical institution have to be recognized under the Indian Medical Council Act, 1956. Unless the qualifications are so recognized, the students who qualify will not be able to practise. Before granting such recognition, a power is given to the Medical Council under Section 16 to ask for information as to the courses of study and examinations. The universities are bound to furnish the information so required by the Council. The Postgraduate Medical Committee is also under Section 17, entitled to appoint Medical Inspectors to inspect any medical institution, college, hospital or other institution where medical education is given or to attend any examination held by any university or medical institution before recommending the medical qualification granted by that university or medical institution. Under Section 19, if a report of the Committee is unsatisfactory the Medical Council may withdraw recognition granted to a medical qualification or any medical institution or university concerned in the manner provided in Section 19. Section 19-A enables the Council to prescribe minimum standards of medical education required for granting recognized medical qualifications other than postgraduate medical qualifications by the universities or medical institutions, while Section 20 gives a power to the Council to prescribe minimum standards of postgraduate medical education. The universities must necessarily be guided by

the standards prescribed under Section 20(1) if their degrees or diplomas are to be recognized under the Medical Council of India Act. We, therefore, disagree with and overrule the finding given in *Ajay Kumar Singh v. State of Bihar* to the effect that the standards of postgraduate medical education prescribed by the Medical Council of India are merely directory and the universities are not bound to comply with the standards so prescribed.

1. In the case of **Medical Council of India Vs. State of Karnataka** a Bench of three Judges or this Court has distinguished the observations made in *Nivedita Jain*. It has also disagreed with *Ajay Kumar Singh Vs. State of Bihar* and has come to the conclusion that the Medical Council regulations have a statutory force and are mandatory. The Court was concerned with admissions to the MBBS course and the regulations framed by the Indian Medical Council relating to admission to the MBBS course. The Court took note of the observations in *State of Kerala Vs. T.P. Roshana* (SCC at p. 580) to the effect that under the Indian Medical Council Act, 1956, the Medical Council of India has been set up as an expert body to control the minimum standards of medical education and to regulate their observance. It has implicit power to supervise the qualifications or eligibility standards for admission into medical institutions. There is, under the Act an overall vigilance by the Medical Council to prevent sub-standard entrance qualifications for medical courses. These observations would apply equally to post-graduate medical courses. We are in respectful agreement with this reasoning."

That this legal position has also been reaffirmed by the Hon'ble Supreme Court in subsequent pronouncements. In the case of **Medical Council of India Vs. Diparnani P. Deshmukh and Anr – (2000) 9 SCC 163**, it was held as under:-

" 4. As we read the said Regulation and Note 2 in particular, it is clear that the extreme compassionate grounds criteria contemplated by the said Regulations are only three, namely, death of supporting guardian, illness of the candidate causing disability and lastly, disturbed conditions as declared by the Government in the medical college area. In *Preeti Srivastava (Dr) v. State of M.P.* this court has held that these Regulations are mandatory."

In the case of **MCI Vs. Sarang & Ors – (2001) 8 SCC 427**, it was held as under:-

“6. In matters of academic standards, courts should not normally interfere or interpret the rules and such matters should be left to the experts in the field. This position has been made clear by this Court in *University of Mysore v. C.D. Govinda Rao, State of Kerala v. Kumari T.P. Roshana and Shirish Govind Prabhudesai v. State of Maharashtra*. The object of the said Regulation appears to be that although the course of study leading to the II<sup>nd</sup> professional examination is common to all medical colleges, the sequence of coverage of subjects varies from college to college. Therefore, the requirement of 18 months of study in the college to from which the student wants to appear in the examination is appropriately insisted upon. Migration is not normally allowed and has got to be given in exceptional circumstances. In the absence of such a situation as contained in Regulation 6 (5), it is clear that the migrated student is likely to miss instruction and study in some of the subjects, which will ultimately affect his academic attainments. Therefore, the strained meaning given by the High Court, which actually changes the language of Regulation 6 (5) is not permissible. Thus we disagree with the view taken by the High Court and state that the correct interpretation is as given by the Medical Council of India, set forth above by us.”

The mandatory and binding character of the statutory regulations framed by MCI has also been upheld by the Hon'ble Supreme Court in the following cases:-

**I. The State of Madhya Pradesh & Ors. V. Gopal D. Tirthani & Ors.- (2003) 7 SCC 83.**

**II. Harish Verma & Ors. Vs. Ajay Srivastava & Anr – (2003) 8 SCC 69.**

.....That, as stated hereinabove, in exercise of its powers u/s 33 of the Act, the MCI issued regulations on Postgraduate Medical Education in the year 2000. It is reiterated that these statutory regulations govern PG medical education in the country and are binding on all institutions and candidates.

**....AS PER Minutes of the meeting of the Executive Committee held on 11<sup>th</sup> July, 2017 at 2.00 p.m. in the Council Office at Sector 8,**

Pocket 14, Dwarka, New Delhi. IT WAS DECIDED UNDER ITEM NO-31....

.....ITEM NO-31

.....Establishment of Medical College Regulations, 1999 -  
Amendment in sub-clauses 8(3)(1)(a) to 8(3)(1)(c).

The Executive Committee of the Council considered the letter dated 20.06.2017 received from the Joint Secretary, Govt. of India, Ministry of Health & Family Welfare, New Delhi requesting that the Council may revisit the applicability of sub-clauses 8(3)(1)(a) to 8(3)(1)(c) of the Establishment of Medical College Regulations, 1999 to bring them in consonance with the provision of the IMC Act, 1956.

The Executive Committee noted that the Hon'ble Division Bench of the Hon'ble Delhi High Court in WP (C) No. 5041/2015 titled as Shree Chhatrapati Shivaji Education Society & Anr. Vs. Union of India & Anr., vide its judgment dated 28.05.2015, had upheld the validity of Regulation 8(3)(1) of the Establishment of Medical College Regulations, 1999 and no opportunity could be granted to an institution who had failed to fulfill the minimum requirements as provided in the said Regulations. The said judgment had been challenged before the Hon'ble Supreme Court wherein no stay was granted and leave was granted in the matter. It is also necessary to note that the Hon'ble Larger Bench of the Hon'ble Delhi High Court in WP (C) No. 7106/2015 titled as Malla Reddy Institute of Medical Science & Anr. Vs. Union of India & Anr. And WP (C) No. 8541/2015 titled as Lord Buddha Siksha Pratisthan & Anr. Vs. Union of India & Anr., vide its judgment dated 29.09.2015 had even though upheld the validity of the aforesaid Regulations however had observed that an opportunity should be given to the medical college to rectify the deficiencies.

The Executive Committee further noted that the Council had approached the Hon'ble Supreme Court by way of SLP (C) No.31535/2015-Medical Council of India Vs. Malla Reddy Institute of Medical Science & Anr. And SLP (C) No.30742/2015- Medical Council of India Vs. Lord Buddha Siksha Pratisthan & Anr. against the judgment dated 29.09.2015 passed by the Hon'ble Larger Bench of the Hon'ble

Delhi High Court. The Hon'ble Supreme Court vide its judgment dated 27.04.2016 in the aforementioned matters has set-aside the judgment dated 29.09.2015 passed by the Hon'ble Larger Bench of the Hon'ble Delhi High Court and has allowed the appeals filed by the Council. Thus the judgment dated 28.05.2015 passed by the Hon'ble Division Bench of the Hon'ble Delhi High Court in WP (C) No. 5041/2015 titled as Shree Chhatrapati Shivaji Education Society & Anr. Vs. Union of India & Anr., stands revived and is the authoritative pronouncement on the validity of Regulation 8(3)(1) of the Establishment of Medical College Regulations, 1999.

The Executive Committee of the Council recollected that the provisions of clause 8(3)(1)(a)(b)(c) had been notified as part of the the Establishment of Medical College Regulations, 1999 by the Council only after approval had been granted by the Government of India. The basic aim/purpose of the said Regulation was to ensure the availability, throughout the year, of faculty/residents and clinical material for the purposes of adequate/better academic environment. ....

Keeping in view of above it is requested that immediately Dr G N Qazi who is an engineer by profession but working illegally as Director General of Hamdard Institute of Medical Sciences & Research should be removed from Hamdard Institute of Medical Sciences & Research and all decisions taken during his tenure as Director General should be scrutinised.

Thanking you,

Encl-List of proof

1. Appointment Letter of G.N.Qazi as Director General Hamdrad Institute of Medical Sciences.
2. Pronouncement of Furnitur of the Director General HIMSR office approved by G.N Qazi as Director.

Notes at page 1 may please be glanced through

As per MCI norms, there is requirement of 2 Demonstrator in the Department of Forensic Medicine.

2/ In view of compulsions of MCI, it is proposed to grant extension of 1 year to the contractual appointment of Dr. Showket Rashid, Demonstrator w.e.f 19.08.2017 (appointed on 19.08.2016 and not 19.08.2017) on the same terms and conditions in the pay scale of Rs 15600+GP of Rs 5400, NPA and other allowances/ benefits, admissible from time to time as per HIMSR policy and suggested by Dean and HOD.

3. Dr. Shahina was appointed as S.R in the said department on 22.08.2015 on all inclusive salary of Rs 65,000 per month. Extension was granted till 21.08.2016. She seems to be drawing Rs 85,000 at present. Dean, HIMSR has suggested further extension of 1 year and change in designation from S.R. to Demonstrator in the pay band of Rs 15600+GP of Rs 5400. NPA and other admissible allowances, in line with MCI guidelines and change of designation to coincide with other doctors with PG qualification in various departments of HIMSR. Performance Report is, however, not placed on the record.

4. Subject to this, the proposal may please be concurred in. At the same time, while placing Dr. Shahina in the above pay scale, care may perhaps be taken to see that the salary of the incumbent is ordinarily not less than the previous position.

10.06.2017

- Subject: 1. Appointment of Senior Resident (Surgery & Radio-Diagnosis),  
2. Appointment of Junior Resident (Medicine)

Due to resignation of many Senior Residents and Junior Resident from the departments of Surgery, Medicine and Obst. & Gynec. Besides this is already shortage of a Senior Resident in Radio-Diagnosis due to recent change of cadre amongs, Senior Resident in faculty.

This has become increasingly difficult for the department to run the services smoothly.

Keeping this in view, many doctor who approached the HOD were called for interview on 15.06.2017 to 20.06.2017. The candidate who has applied in Obst. & Gynec. has declined.

Keeping in view, selection committee was held on 19.06.2017 and 20.06.2017 for the appointment of Senior Resident (Radio-Diagnosis & Surgery) and Junior Resident (Medicine) in the Hamdani Institute of Medical Sciences & Research and its Associated HAI Community Hospital.

The recommendations of the selection committee for appointment of the following candidates on contract basis for a period of one year.

**Radio-Diagnosis (Senior Resident)**

1. Dr. Siddharth Jaiswal - In place of Dr. Amandeep Sahota (Already relieved)

**Surgery (Senior Resident) - In that order of merit:**

1. Dr. Peer Hilal Ahmad Makhdoomi - In place of Dr. Mir-Mujtaba Ahmad, he was Promoted as Assistant Professor
2. Dr. Tajamul Rashid - (Waitlist)

**Medicine (Junior Resident) - In that order of merit:**

1. Dr. Naimour Asraf - In place of Dr. Khan-Fakur-Faiz (Already relieved)
2. Dr. Mir Najib Ahmad - In place of Dr. Arushi Bansal (Already relieved)
3. Dr. Sandeep Kumar - In place of Dr. Khushboo Ahmad Mir (Already relieved)

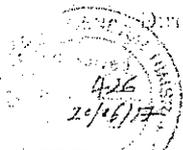

Requested that necessary administrative approval may please granted so that the order are issued accordingly.

16.08.2017

Subject: Appointment of Dr. Swagata Biswas as Senior Resident in the Department of Anaesthesia.

There is urgent requirement of Senior Resident in the Department of Anaesthesia the absence of which otherwise will figure as a deficiency as per the minimum standard requirement laid down by Medical Council of India.

One application of Dr. Swagata Biswas was received in this office and I have reviewed it, the details are as:

- = MBBS (2011) - University of West Bengal Health Sciences.
- = MD, Anaesthesia (2017) - VIMSAR, Burla.

She has been screened by HOD, Anaesthesia & undersigned and found to have requisite qualification as per standard norms laid down by MCI.

It is as such recommended that Dr. Swagata Biswas may be appointed as Senior Resident in the Department of Anaesthesia against the available vacancy.

Requested that necessary administrative approval may please granted so that the order are issued accordingly

*[Signature]*

Dean/Principal, HIMS

Director General

Of the 3 required positions of Senior Residents in Department of Anaesthesia as per MCI norms, 1 position is temporarily vacant as Dr. Samreena Bashir has proceeded on Maternity Leave for 6 months.

2. Enquired from Dean Office that leave to Dr. Bashir has not been sanctioned as a matter of policy as there is general tendency on the part of these officials to leave the organization once the paid leave has been availed. It will be sanctioned or otherwise when the official joins.

3. Under the circumstances, it is proposed to engage Dr. Swagata Biswas, MBBS, MD as Senior Resident on a monthly salary of Rs 85,000 (all inclusive) for a period of 6 months from the date of joining or till the date of completion of Maternity Leave of Dr. Bashir, whichever is earlier please.

## OUR DIRECTOR GENERAL

Dr. G.N. Qazi took his postgraduate degree and Ph.D. both from M.S. University, Baroda, India. Dr. Qazi after his Post Doctoral Research in Biochemical Engineering at the University of Dortmund where he worked on Bubble Column and airlift bioreactors worked in the area of molecular biology at Max Plank Institute of Biochemistry in Munich (Germany).

Dr. Qazi served as Chairman of Biotechnology Division for six years and brought international recognition to the Division by giving it a lead in fermentation technology for a large number of commercially viable products. To name a few, the most important fermentation processes developed by Dr. Qazi and his group are: gluconates, bio-control agents, plant growth promoters, novel enzymes, kinetic resolution of chiral drugs. His work of gene cloning and genetic manipulation is widely acclaimed and recognized internationally.

Dr. Qazi has been instrumental in the development of eleven fermentation processes, out of which the processes on resolution of NSAID Naproxen and production of Iso-vitamin C, Gluconates, Glucose oxidase, Citric acid, Plant growth promoters and Bio-control agents have already been passed on to several industries.

Dr. Qazi has also established a Regional Centre on Bioinformatics at RRL, Jammu.

Dr. Qazi has about 200 research papers published in the national and international journals of repute and presented equal number at different national and international conferences. He has also delivered a number of invited lectures on Fermentation Technology and Genetic Engineering both in Indian and foreign universities and institutes. He has over 60 patents in his name.

From October 2008 to August 2016, he was Vice Chancellor of Jamia Hamdard (Hamdard University), New Delhi and then join HIMSR as Director General.

P.O. Box No. 1075, Nagardhruvi, Bengaluru - 560 072, Karnataka, India

3.2 Institutional Weaknesses

- University of the students and the faculty
- Harmonious relationship among all the stakeholders of the institution.
- Smoke-free, alcohol-free & drugs-free campus
- Space crunch existing in the area of future expansion.
- Hostel facility for the boys.
- Shortage of funds for renovation and architectural finish in buildings.
- Scarcity of the water resources.
- Central and departmental library inadequate.
- ERP system yet to be integrated fully.
- Diversion of substantial financial resources towards medical college (HIMSR).
- Apex body's norms for appointment/ re-employment of faculty staff not followed in some cases at senior level.

3.3 Institutional Challenges

- DC, HIMSR position is occupied by a non-graduate.
- Attracting faculty at senior level to take-up leadership roles.
- Establishing hostel facilities for students, especially boys.
- Future expansion of the campus.
- Industry-oriented curriculum and implementation.
- International and central institutional collaboration in teaching, research and consultancy.
- Strengthening of translational research.
- Corporate training, consultancy and placement of students.
- Development of Noida campus.

3.4 Institutional Opportunities

- Prominence of nanomedicine on the global scene.
- Attracting more students from different countries and cultures.
- Well placed alumni community.
- Signing MOUs with leading academic institutions, industries.
- Transfer of technology based on research to society.

Note: The MCI has not recommended recognition of the MBBS course offered by the University for the year 2017-18, and the matter is sub-judice before the Hon'ble Supreme Court of India. The related documents are appended.

<b>Notes:</b>
<b>For purpose of working out the deficiency:</b>
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
<b>(A) For Teaching Faculty:</b>
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
<b>(B) For Resident Doctors:</b>
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

**3.16 1) Deficiency of Teaching Faculty: NIL**

**2) Deficiency of Resident doctors: 25% (16 out of 62) \* please see summary remarks**

### Summary of Assessment

1. Hamdard Institute of Medical Sciences & Research (College Name), is run by Society
2. The college has got LOP from GOI/MCI with intake of 100 seats for last academic year 2017-18.
3. Type of assessment: Recognize No. of seats: 100
4. PG courses : Yes
5. Deficiency of teaching staff if any:  
Shortage of teaching faculty is NIL
6. Deficiency of resident doctors if any:  
Shortage of resident doctors is 25%
7. Deficiency of the infrastructure of college and hospital If any: Pl. mention category wise; - as below
8. Deficiency of clinical material If any: Pl mention category wise; as below
9. Any other Remarks/ Summary Remarks

Signatures of Dean/Principal

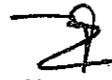

### Clinical Material - Irregularity/Deficiencies

1. One patient bearing IP No. 0977023 admitted on 6.12.2017 in 4<sup>th</sup> floor male surgery ward in bed no 64 under unit-1, Dr. P K Ganguly with small ulcer over leg which can be evaluated and managed OPD basis and seem to be admitted only to increase number of inpatient and increase bed occupancy percentage. (Photographs soft copy attached as proof).
2. It was notice, in BHT of one patient name Sarita, 30 years female, IPD No. 6730 admitted on 3/12/2017 under in unit-II orthopaedics under Prof. Sandeep, no signature of any doctors was found in case history sheet and examination sheet. In subsequent pages no date and time was mentioned and no signature of any doctor was found. (case sheet zerox attached as annexure).
3. Similarly no signature of doctor was found in history sheet and physical examination sheet of one patient named Ms. Chand Begum, 60 years female bearing IPD no. 0976997, admitted in General Surgery ward under unit -1. Illegible signature of doctors in treatment sheet was not identified by any resident, faculty and nursing staff in this patient. (case sheet zerox attached as annexure).
4. As above no signature was found history sheet, physical sheet and treatment sheet of one in patient named Mohd. Washir, 58 years male, bearing IP no 0976853. No treatment was given in this patient though the patient was admitted to control the high blood pressure (written statement of JR and SR attached as annexure).
5. Unit number and name of the attending doctors was not written in BHT of Mr. Parg Aggarw, 18 years male bearing IP no 0776971, no doctors, faculty signed in case of history sheet and physical examination sheet and treatment sheet of this patient. (case sheet zerox attached as annexure).
6. In SAF – Part- I, MRO has given singed data of last 12 months average that number of admission in hospital is 136 and number of discharge case is 103. So the number of admission is more than the number of discharge daily by 33 in number. So in year about  $33 \times 365 \text{ days} = 12045$  patients will be surplus and this is not possible so whole MRD date are faulty/fake. More enquiry should be done by MCI regarding this issue. (Copy of SAF-Part-1 data is attached as annexure)

  
Signatures of the Assessors

  
Date: 07/12/17

  
Signatures of Dean/Principal  

7. In planned OT list there was no signature of any faculty in department of surgery and ENT. Planned surgery list of OBGy, it was prepared on 6/12/2017 its means same day not previous day. Ophthalmology planned list was signed illegible and not identified by anyone and on rough work sheet (all these documents are attached herewith).
8. On the day of assessment also total admission indoor was given 108 while discharge are only 15 upto 2 pm. This shows out of 362 indoor patients 108 was admitted on assessment day morning.
9. Radiology and Pathology clinical data are insufficient.

### Infrastructure deficiencies

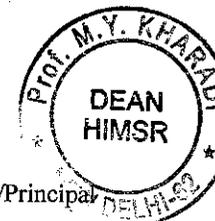

#### Under graduate students hostel

1. There is no separate UG Hostel for Medical college/students. Hostel is common for medical students as well as other colleges/course of Hamdard University students.
2. Written statement of hostel assistant manager Mohd. Aslam attached stating that in UG hostel with medical students and other students like BPT, M Tech, B tech, PhD, B Pharma, M Pharma, MPT, Unani , MSc. staying together at all floor in hostel.
3. There is no mess, no functioning kitchen, only dinning hall available in boys hostel. Food even tea also supplied from Girl's hostel.
4. Boys hostel warden is not from medical faculty member. He is physiotherapy faculty. Even list of students staying in boys hostel not available in wardens office or with him. There was no supervisor/caretaker available during our round.
5. No AC and computer in study room.
6. As per warden information boys hostel including interns hostel total capacity 211 (104x2=208+3 single = 211). This include medical and other students also.
7. No recreation room in boys and girls hostel.
8. Many other non medical students were also present/studying/staying in Boys Hostel. Written statement of BBA Student

Signatures of the Assessors

Date

Signatures of Dean/Principal

Saqib Fiqri, pharma student of Shehbaz and Farhaz and Ahtesham are attached as annexure.

9. As per written statement of Girls Hostel warden (attached) there are 100x2=200 capacity is available for UG girls + Interns girls in Girls hostel.
10. As there is no separate for medical college. It is not acceptable, otherwise also against requirement of 375 UG + 100 Interns = 475, available capacity is 411.

#### Residents Hostel

1. No recreation room, no visitor room, no study room in resident hostel.
2. No separate mess is available.
3. No lights in corridors, no water cooler (written statement of warden attached)
4. There is only 01 cupboard (fixed) in each room but authority shown room cafeteria is 2/3. (written statement of warden attached)   
 Capacity
5. Condition of Residents hostel is not up to the mark.
6. There is no separate building for Residents hostel but a wing of the girls hostel (medical and others college) is utilize as hostel for the residents.

#### Nurses Hostel

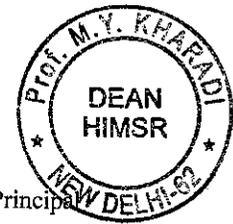

1. There is no separate nursing hostel for hospital nursing staff.
2. Authority has shown us BSc. GNM, Nursing students hostel as nursing hostel for hospital nursing staff (Written statement 03 nursing students is attached as annexure).
3. No mess facility no visitor room no recreation room , no study room (Written statement 03 nursing students is attached as

Signatures of the Assessors

Date

07 12 12

Signatures of Dean/Principal

annexure).

#### Faculty quarters

1. No separate teaching staff quarters of medical college in campus.
2. Authority have shown common faculty quarters which were used by medical, engineering, sciences, nursing college, life sciences, pharmacy, unani etc. all other courses of Hamdard University. Even if, as per Dean's signed written documents (Attached as annexure). Available Number of Teaching staff quarters in campus are shown 13 against the requirement of 21.
3. Even below the Dean's quarters in same building junior residents are also staying.

#### Non-teaching quarter

1. No separate non-teaching staff quarters of medical college in campus.
2. Authority have shown common non-teaching staff quarters which were used by medical, engineering, sciences, nursing college, life sciences, pharmacy, unani etc. all other courses of Hamdard University.

#### Hospital Infrastructure

1. Not a single ward is as per Medical Council of India norms.
2. There are 38 wards in 2 blocks of Hospital. In medicine, paediatrics, Obt. Gynae, Psychiatry, TB & Chest in door wards there are 10 beds per ward. In this 10 beds wards only empty table like non functioning nursing station was shown. (soft copy of photograph is attached). For each 03 wards 10 beds each, one nursing station which was located outside these wards which is not at per of MCI norms. From such nursing station observation and looking after the patient is not possible.
3. As per written statement of Medical Superintendent number of demonstration room, examination room, duty room, pantry, store room are 10 (each) while as per MCI regulations in each and every ward (Not the department) should provided with demonstration room, examination room, duty room, pantry, store room (written statement of Medical Superintendent is attached as annexure herewith). In the hospital total wards are 38 in number available (these high number of wards due to only 10 beds in many wards). Against which only 10 wards having demonstration room, examination room, duty room,

Signatures of the Assessors

Date

Signatures of Dean/Principal

4. Name of the doctor/ unit number are not written/shown outside most of the wards.
5. In few wards distance between two beds are not as per MCI norms.
6. In all clinical departments , The faculty room of each department is not located in same place/area/floor/building but scattered throughout the building/campus. The faculty rooms are allocated haphazardly Medicine HOD room in ground floor then some faculty of the other floor, Psychiatry Professor room is in college building, Gynae HOD room in basement and Gynae faculty room in other floor. Even written statement of Gynae HOD (attached herewith) one OPD examination room is used as her room so out of 4 required OPD room now available room is 3. Overall unlike non-clinical department there is no departmental feeling in all clinical departments of Hospital.
7. There is no unit system follow. Patients are haphazardly admitted in wards without separating unit. On the day of assessment (Wednesday), unit-3 of surgery was posted as OT day but unit-2 unit-3 and unit-4 was performing OT (written documents and photograph is annexed).

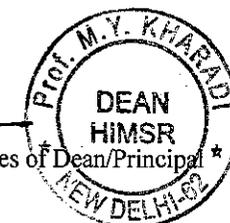

#### Residents

1. On our residents hostel round we have verified/cross checked some rooms randomly. We have found that many residents are not staying in hostel. (photographs softcopy is attached herewith). Also written statement of Syed Azizur Rehman, SR Medicine, Dr. Fahtima, SR OBGy Dr. Owasis Anjum, JR Orthopaedics, Dr. Ratna Priya, SR ENT, Dr. Shalini Punia, JR Dermatology, Dr. Rabia Syed, JR Dermatology and Dr. Sana Parvez, JR Surgery. (Attached as annexure) clearly indicating that many residents are not staying in the hostel/campus. As per our assessment 20 residents are not staying in the campus. So final residents deficiency is **Deficiency of Resident doctors: 25% (16 out of 62.)**
2. As per dean written signed documents of list of residents hostel (attached as annexure).Dr. agarwal Mohini, SR OBGy staying in room no D-102 but occupant of room D-102 Dr. Fahtima Anees, SR OBGy as given statement that Dr. Agarwal Mohini is not staying in hostel (Attached as annexure). This contradict statement of Dean and Senior Resident have to be enquired by MCI .

  
Signatures of the Assessors

  
Date 07/12/17

  
Signatures of Dean/Principal

enquired by MCI .

### Nursing Staff

1. As per list of Nursing staff given by marten are 305 while requirement of 100 intake recognized college is 247 in routine courses. But in this college hospital most of wards are 10 beded instead of 30 beded, so naturally number of nursing staff will be mounted by 3 folds. Thus apparently strength of the nursing staff looks surplus but true deficiency exist by more than 100.
2. Number of nursing staff (305) given by matron is not matched with salary statement of account department.

### General

1. Administrative office of Medical College is small and in one corner of anatomy department- not suitable. There is no account section in medical college office also.
2. There is no separate campus for medical college but buildings of non medical institute of this university are located in between buildings of medical college.
3. Certificate from competent authority for building use permission/occupancy is awaited. No building use permission certificate is given by competent authority.
4. Blood bank Licenses License was valid up to: 6.3.2017 (Renewal under process)

Respected Dr. Jayshree Mehta Ji,

It is very sad and unfortunate that after multiple requests to the management of Jamia Hamdard hospital especially the Medical Superintendent to improve health services in your hospital but nothing has changed till date.

There is no value of life in Jamia Hamdard hospital. As per reports innocent poor and young people are dying in Hamdard hospital because of the negligence of doctors / staff members. There are no proper staff nurses and senior doctors available in the night hours .There is no senior resident available in emergency too in night hours.

Last year also there were the incidents of manhandling in Jamia Hamdard hospital in which a lady died in department of gynecology as a result the mob vandalized the ICU area and whole reception area. It is very sad and painful that ambulance is not available to shift the serious patients to other hospitals, medicines are not available at drug stores and there is no proper drinking water. All this leads to the death of poor and innocent people

Many female doctors have complained against Dr. Ajaz Mustafa Medical Superintendent for his behavior and attitude. There are many harassment complaints filled by doctors against him.

There is no coordination done from administration side for the needy ones.

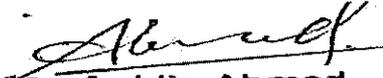

Contd.....

List of few innocent people who died in Hamdard Hospital Emergency:

1. Vipinder Singh S/o Bir Singh 22/male ,C 65/15 Tugulakabad village ,New Delhi ,  
M-989911341 ( MLC NO : 1971:17 )
2. Ramdhani S/o Lalparibha , Dhunporaratiya Vihar, New Delhi , M- 9199615704  
( MLC NO: 1745 :17 )
3. Anjal ,S/o Frank ,Lakhapur, Faridabad, M- 9953017259 (MLC :1786:17 )
4. Ravindar ,S/o Gullu, C /574 BH Camp Govindpuri , M- 9873561996  
(MLC: 1962:17)

It is humbly requested that you can have a night visit in the hospital before recognition of hospital and re-confirm all above points including the above mentioned points.

You're sincerely

Reply of authority

Date: 7.12.2017

Dr. Jayshree Mehta  
President (MCI)  
Dwarka, New Delhi - 110077

Madam,

In reference to the letter no. IPF / NPC/MCI/12/2017/0423 dated 7<sup>th</sup> December 2017 addressed to President MCI handed over to undersigned through MCI Inspectors on 7<sup>th</sup> December 2017 for reply.

Kindly find enclosed the pointwise reply of the same:

1. Adequate Staff Nurses and Doctors are available 24x7 as per duty roster which is always available in Emergency, Enquiry and Wards.
2. Ambulance Services are available for the referral patients to higher centres.
3. All Emergency medications and routine medicines are available in all patient care areas and Hospital Pharmacies.
4. Proper safe drinking water is available in both the blocks of hospital for patients and staff.
5. A patient who expired in Gynae & Obst. Department last year and dead body was sent by police for post mortem at AIIMS New Delhi
6. The complaint mentioned in paragraph- 2 are false allegations and it is being made to malign the image of hospital and Medical Superintendent and there is no complaint against M.S. by both male and female staff till date.
7. The details of four patients mentioned in the letter is attached.

Medical Superintendent
