3. Particulars of Assessors

Name of the Assessors	Correspondence Address	Contact No.	Email
Dr. Rathod S.M.	Shree Bhausahab hire govt. Medical College, Dhulia, Maharashtra.	9422961700	Sanjayr783@gmail.com
Dr. Vijayanath V.	ESIC Medical College, Rajajinagar, Bengaluru, Karnataka.	9986616961	drvijayanath@rediffmail.com

4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Internet node available 20 against 40 in library.	It is submitted that the computer section in the Central Library has 40 internet nodes since inception. However, as there is only one batch, only 20 computers were connected to the nodes, whereas the 20 other computers were kept in the stores. These additional 20 computers have been installed and are now connected with the internet nodes. In all 40 computers	Internet Nodes 40 are available and functional.

		<p>connected with 40 internet nodes are now available in the computer section in the Central Library.</p> <p>Photograph enclosed. Purchase orders, invoices and map of nodes in central library are also enclosed. (Annexure-1)</p>	
2	Biometric devices not installed	<p>Page 9 of the report states "<u>site survey done, but devices not installed. (Reminders sent to MCI)</u>". The remark indicates that the installation is pending at the level of the Council. It also indicates that reminders have been sent to the Council.</p> <p>The installation of Biometric devices is to be done by the MCI. The assessment report itself states at pg.9 that reminders have been sent to MCI. The non-installation of the device is, therefore, not within the control of the institution. However, the institution has now installed the Biometric devices on</p>	<p>One Biometric device is working for the institutional level.</p> <p>A correspondence letter has been communicated to MCI.</p>

		its own (pending installation of OFAMOS by MCI supplier). Copies of the purchase order and installation report along with photographs are enclosed. (Annexure-2)	
3	Separate registration area for male and female not available.	The area has remained the same since inception in 2016 when LOP was granted. In all prior inspections, the same was found to be meeting with the requirement and no deficiency in this regard was pointed out. It appears that the observation required physical segregation. Taking into consideration the noting, further segregation of space has been undertaken and segregated separate registration area for male and female patients is now provided. Photograph enclosed. (Annexure-3)	Separate registration area for male and female is available.
4	Ortho and ENT Female wards common, TB, Skin and Psychiatry wards common	The configuration of wards has been undertaken in accordance with the accepted practice in all teaching hospitals. The	Ortho , ENT female wards and TB, Skin, Psychiatry wards are separated.

		<p>requirement since the stage of LOP remains the same till second renewal. This configuration has been found to be complied with in all the previous inspections and no deficiency has been pointed out in this regard.</p> <p>We have, however, complied with this noting and accordingly, separate wards are now provided for male and female patients in all departments.</p> <p>Table showing the revised configuration alongwith photographs of new wards are enclosed herewith.</p> <p>However we also submit the following for your kind consideration:</p>

		<p>Only 8 beds each are required for the departments of Tb & Chest, Psychiatry and Skin & VD each which are to be further subdivided into 4 beds each for males/females. Hence all male beds (i.e. total 12) & all female beds (i.e. total 12) of these 3 departments are kept in the same wards respectively, as otherwise this would result in small wards of 4 beds each which would be a great wastage of space.</p> <p>Only 10 beds each are required for the departments of Ophthalmology and ENT which are to be further subdivide into 5 beds each for males/females. Hence all male patients (i.e. total 10) & all female patients (i.e. total 10) of these 2 departments are kept in the same wards respectively as otherwise this would result in small wards of 5 beds each which would be a great wastage of space.</p>

		<p>It is further submitted that separate Nursing stations for each department are provided in each ward and this is stated by the Dean on P. 13 in SAF Part II of the Assessment Report. This objection from the Dean is not controverted by the Assessors.</p> <p>P. 13 of SAF part A II alongwith Photographs are enclosed.(Annexure-4)</p>	
5	Normal delivery – 0	<p>Attention is drawn to Page-14 of Part All of the Assessment Report – “There were 3 Caesarean Sections” on the day of assessment. Thus there were 3 deliveries on the date of inspection which is more than adequate. It is submitted that the nature of delivery depends on the prognosis of the mother. All efforts are made to promote normal deliveries. In the last two months, 76 normal deliveries have taken place.</p>	<p>On the day of assessment at 10.00 am , 2 normal deliveries and 1 LSCS is reported and found correct.</p>

		<p>ray machine in the casualty area as desired. It may please be noted that there would now be 4 Static.X-rays machines available against requirement of 3.</p> <p>Photograph enclosed. Invoice of suction machine & purchase order of static xray with AERB approval is also enclosed.(Annexure-6)</p>	
7	ENT OT shares with Ophthalmic	<p>As per Phase wise Requirements for II Renewal, only 5 O.T.s are required which are available as shown in the Assessment Report itself (P. 17 of Part A II). Hence there is no deficiency in this regard.</p> <p>It is submitted that E.N.T. and Ophthalmology departments utilize the O.T. on alternate days as there is only 1 Unit in both departments which runs OPD/O.T. on alternate days. It is further submitted that Dean has also mentioned in his remark that these</p>	ENT OT is separated from Ophthalmic OT.

		<p>departments run O.T. on alternate days. It is submitted that there is no sharing of O.T. as such on any given day.</p> <p>Copy of P. 17 of Part A II of the Assessment Report is enclosed.</p> <p>We have now provided for 6th Operation Theatre which is functional and which is in addition to 5 O.T.s required for II Renewal as per Phase wise Requirements and shown in the earlier assessment report. This will ensure that there is a separate dedicated operation theatre for both Ophthalmology and ENT departments. It may please be noted that there would now be 6 Major O.T.s available against requirement of 5.</p> <p>Photograph enclosed. (Annexure-7)</p>

Notes:

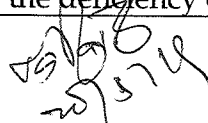

For purpose of working out the deficiency:

(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.

(A) For Teaching Faculty:

- (a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
- (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
- (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.

Signature of Assessors

 Date 20.5.19

 Signature of Dean/Principal
 20.5

(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only. (b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department. (c) Any excess of JR cannot compensate the deficiency of SR in same or any other department. (d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

7. Details of Faculty/Residents not counted/accepted.

(Only faculty/residents who signed attendance sheet before 11:00 am on the first day of assessment should be verified. (In case of Junior Residents/Senior Residents on night duty, 12:00 noon.) No verification of Declaration forms should be done for the faculty/residents coming after 11:00 am of the first day of assessment)

Dr. Nimesh Shah

MD (Medicine)

Chandkheda, Ahmedabad

20/04/2019

To,

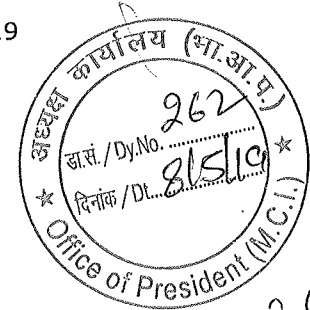

Dr. Vinod Paul

Chairman of M.C.I.

New Delhi

Ahmedabad.

Sub: Gross irregularity and fraud of Dr. M.K. Shah Medical college, Chandkheda,

S.O (PG)

Sir/Madam,

(1) Dr. M.K. Shah medical college Ahmedabad was started before 2 years in 2017-18. It was denied permission in 2018-19 by MCI due to lack of staff and clinical material etc..

(2) Chairman of this college was arrested by anti corruption beuro of Gujarat for taking bribe from students for admission and passing the exam and he was centenced jail/prison for 1 year.

(3) during this year compliance inspection college has given advertisement in news paper for free OPD/Consultation only for 15 days in hospital due to inspection purpose. Then after they have closed the hospital

(4) Many faculty have been transferred/shown from SBKS Medical college, Piparia, Vadodara (Which is same managements college) during inspection.

SG
wpe

(5) Large number of faculty are doing private practice during 9 to 5 but have been shown as full time.

(6) This time during compliance inspection, assessors found many irregularity, so Management/Chairman have threatened the assessor to give positive report.

(7) Management of this college is patronaged by former president of MCI who was dean of SBKS Medical college and vice chancellor of Sumandeep University run by same management.

So, please do needful and take necessary action. If fresh surprise assessment is to be done by MCI,

Then you find nothing in college/Hospital. No patients no staff etc.. and MCI can see real picture of college.

Copy to:

Secretary of MCI

Dr. Randeep Guleria, Member of MCI

CBI/CVC/PMO

Thanking you

(Dr. Nimesh Shah)

MD
