**Sub.: Regarding eligibility and acceptance in MCI Assessment of one of the  
Microbiology Professors at Parul Institute of Medical Sciences & Research, Parul  
University, Vadodara, Gujarat.**

Respected Sir / Madam,

In continuation to above subject, I would like to inform you that recently in the "Assessment for 3<sup>rd</sup> Renewal at Parul Institute of Medical Sciences & Research, Parul University" by MCI, on 12<sup>th</sup> - 13<sup>th</sup> November, 2018, one of the Professors of Department of Microbiology, Dr. Rajeev Shah was not considered eligible; because his Ph.D. degree was of the nomenclature "Pathology & Bacteriology" and not "Medical Microbiology". (Annexure -1)

As per the information received from Veer Narmad South Gujarat University, the Ph.D. degree awarded in Veer Narmad South Gujarat University under Faculty of Medicine is nomenclated as "Pathology & Bacteriology" only since the inception and all the awardees of this doctorate degree have been several times considered eligible for the post of Professor in department of Microbiology by MCI in earlier assessments at different colleges.

Also, as per the latest Guidelines of "Minimum Qualifications for teachers in Medical Institutions Regulations, 1998, Amended up to 8<sup>th</sup> June, 2017", the eligibility of Professor in Microbiology Department clearly mentions the Qualification eligible as "M.Sc. (Medical Microbiology) with Ph.D (Medical Bacteriology)". [Copy enclosed with highlighted text as Annexure - 2)
