Apart from above listed faculty, following faculty members have also attended the orientation program and revised basic course workshop.</p> <table border="1"> <thead> <tr> <th>S.No</th> <th>Name of Faculty</th> <th>BCW/ rBCW</th> <th>Date, Institution</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>Dr.Anupama Kaur</td> <td>rBCW</td> <td>20th-22nd March 2018,MAMC,New Delhi</td> </tr> <tr> <td>2</td> <td>Dr.Preeti Garg</td> <td>rBCW</td> <td>20th- 22nd March 2018,MAMC,New Delhi</td> </tr> <tr> <td>3</td> <td>Dr.Lalit Kumar</td> <td>rBCW</td> <td>13th-15th Feb 2019,MAMC , New Delhi</td> </tr> <tr> <td>4</td> <td>Dr.Hardeep Singh Gill</td> <td>rBCW</td> <td>13th-15th Feb 2019,MAMC , New Delhi</td> </tr> </tbody> </table> <p>3. The MEU of Adesh Medical College & Hospital has been conducting orientation programs and workshop on regular basis. SIX (6) workshops including 3 orientation programs were conducted by MEU conducted in the year 2017 and 4 workshops including 1 orientation program were conducted in 2018. All the above records were furnished before MCI team of assessors who inspected this institution on 21st -22nd January, 2019 for 2nd renewal permission and the same were attached as annexure with the assessment report by the assessors. Moreover, It is worth mentioning that the Office-In-Charge of MEU has also sent the a request letter dated 18.02.2019 to the Convener, MCI Regional Centre, Maulana Azad Medical College, New Delhi, to send observers to facilitate the conduction of one more workshop (i.e. Revised Basic Course Workshop and AETCOM) as soon as in the month of March at Adesh Medical College & Hospital. Hence, there is no deficiency.</p>	S.No	Name of Faculty	BCW/ rBCW	Date, Institution	1	Dr.Amrit Virk	rBCW	8th -10th August 2016,MAMC New Delhi	2	Dr.Archana Goel	rBCW	21th-23rd March 2017,MMIMSR,Mullana	3	Dr.Amit Kumar	rBCW	4th-6th April 2018,MAMC,New Delhi	4	Dr. Ranu Rawat	rBCW	13th -15 Feb2019,MAMC,New Delhi	5	Dr.(Brig)K.V.S Rana	BCW	25th -27th April 2011,MUHS Pune	6	Dr.Naresh jyoti	BCW	29th - 31th March 2012, CMC Ludhiana	7	Dr.P.D. Adesh Medical College & Hospital
NH-1, Mohri, Shahbad (H)

	gives the information)	<p>2. On 12th July, 2018 written communication was sent to System Integrator on 12th July, 2018 to install the biometric machines and train our IT staff regarding operational management of the biometric machines as per standard procedure.</p> <p>3. Again on 10th January 2019, written requests were sent again to the System Integrator and also to the In-charge MCI-DMMP team for the installation of the machines as well as IP based CCTVs. All the details were furnished to the MCI team of assessors who inspected this intuition on 21st-22nd January, 2019 for 2nd Renewal Permission and the assessors acknowledged the above mentioned communications lodged to System Integrator by our institute. The same was put on record by the Assessors in the page no.13 of the assessment report.</p> <p>4. Moreover, on 13th February, 2019, a written reminder was further communicated to the Secretary General of the Board of Governors of Medical Council of India to intervene and facilitate the installation of IP based CCTVs in the institute as all the requirements are fulfilled by our institution as desired by the System Integrator.</p> <p>Hence, there is no deficiency from the part of the institute with regard to installation of biometric device.</p>		this regard as well as a copy of page no. 13 of the assessment report are attached herewith for your kind reference.	Officer of MCI by the college. Till date, it has not implemented. References are attached as Annex-4.
3	Bed occupancy 58.7 %. 176 patients were available on the required 300 beds	<p>There was no deficiency in bed occupancy on the day of assessment as the actual bed occupancy was 72%. Total available number of patients was 217 on the day of assessment.</p> <p>The assessors might have visited and/or not visited certain areas of the hospital leading to erroneous deductions in bed occupancy. They have taken into account only the patients lying on bed and did not count the already admitted patients who were sent for procedures, investigations, waiting to be discharged, went to wash rooms etc. Also, the patients admitted on the day of assessment after 10.00 AM were not taken into account.</p> <p>Hence, there is no deficiency.</p>	V	Detailed statistics availability of indoor patients on the day of assessment is attached.	On the day of assessment (11.04.2019), Bed Occupancy is 74%.
4	The patients in OPD were few, number of patients did not match the register as data seemed to be inflated	<p>The OPD patients first report to main reception for the registration and then on the basis of their medical problems they are guided to report to respective OPDs where they are attended by the doctors of respective specialty. From there, majority of patients go for investigations either to Central Laboratory or to the department of Radio-diagnosis. Some of the patients who do not need any investigation may directly go to Pharmacy to get medicines while other patients on the advice of attending doctors, report for admission in respective wards or critical units.</p> <p>As the OPD patients moves to different units/places of the hospital as per their requirements, the number of patients varies in different places of the hospital at different times on a given day. But by no means are the total number of OPD patients happens to be less than MCI requirement on any day. The OPD attendance was 869 up to 2.00 PM and 900 upto 4.00 at the end of OPD timings on the day of assessment which was in consonance with record in the register on that day. The daily average OPD at Adesh Medical College & Hospital, Shahabad is 800-850.</p> <p>Hence, there is no deficiency.</p>	VI	The details of the patients who attended the OPD on the day of assessment i.e. 21 st January, 2019 are attached.	On the day of assessment (11.04.2019), number of OPD patients is 940 till 04.00 PM.
5	Number of deliveries -1	<p>There were total 3 deliveries on the day of assessment. Out of which, 1 was normal delivery and 2 were caesarean sections. These three deliveries were conducted till 2:00 PM on the day of assessment. These were verified by the team of assessors during inspection and recorded in the Assessment Report at Page No. 17.</p> <p>Hence, there is no deficiency.</p>	VII	Page 17 of the assessment report is attached.	On the day of assessment (11.04.2019), total number of delivery is 04. (Normal- 03, Caesarian- 01)
6	Ba, IVP- IPD- nil	<p>1. THREE OPD patients were undergone Ba, IVP on the of day of assessment which was verified by the MCI team of assessors on the day of assessment and recorded in the Assessment Report at Page No. 17. However no indication was found in any IPD patient to conduct these investigations on the day of assessment.</p> <p>2. This institution has more sophisticated facilities like endoscopies and cross-sectional imaging modalities like CT and MRI which are preferred due to their superiority as compared to Ba and IVP. Ba and IVP are done only those patients where they appear diagnostically more beneficial than above mentioned sophisticated modalities.</p> <p>Hence, there is no deficiency.</p>	VIII	Page 17 of the assessment report is attached.	On the day of assessment (11.04.2019), Total number of Ba, IVP etc.: 05. (03 OPD, 02 IPD)

Signature of Assessors: (1) Dr. Raju G M. (2) Dr. Omprakash K.V.

Date: 11 April 2019

Signature of Dean/Principal: Dr. B.L.Bhardwaj (AMCH Shahbad-M, Kurukshetra)

7	No patients in septic and eclampsia rooms	<p>The total number of IPD patients in the ward of Obstetrics & Gynaecology Department was 29 (18 patients in the Obstetrics unit and 11 patients in Gynaecology unit) with 72.5% occupancy on the day of assessment. There were another 4 patients admitted in the labour room but no case presented with the sepsis on that day. However all the facilities including separate unit with three beds are provided for septic cases in the department of Obstetrics & Gynaecology.</p> <p>The incidence eclampsia in India ranges from 0.179 to 5 %, the average being 1.5 %</p> <p>Source: (<i>Eclampsia in India Through the Decades</i> : P. N. Nobis, Anupama Hajong; <i>The Journal of Obstetrics and Gynecology of India</i>; October 2016, Volume 66, Supplement 1, pp 172-176)</p> <p>Considering such a small incidence, presentation of eclampsia patients is not expected everyday. However, all the facilities including separate eclampsia room with three beds are provided for the patients of eclampsia. Hence, there is no deficiency.</p>						On the day of assessment (11.04.2019), 02 patient present in septic labor room and 01 case of pre-eclampsia present in eclampsia room.	
8	Deficiency of faculty – 6.0 %	<p>The deficiency of faculty is within permissible limit. Reason: Three faculty members were not counted by the assessors during physical verification due to different reasons which are not tenable and justifiable. The details are as under:</p>				Deficiency of Teaching Faculty: 01%.			
		S.No.	Name	Stated reason for not counting as per Assessor's Report	Submission of the institution	Annexure No	Remarks		
		1.	Dr. Ravinder Kohli, Assistant Prof., Medicine	Could not produce documents for SR post.	Mandatory one year SR experience is not applicable in his case as he has been working and also accepted by MCI assessors as Assistant Professor in this institute from 08.04.2016 to 25.01.2018 and again from 16.01.2019 till date. (Under the old rules, i.e., before promulgation of "Minimum Qualification for teachers in Medical Institutions Regulations, 1998" effective from 08 June 2017)	IX	Copy of Declaration Form vide MCI Machine no. 07638 downloaded from MCI Website is attached herewith wherein he has been accepted by MCI as Assistant Prof. vide inspection dated 14.09.2017.		
		2.	Dr. Bharti Bansal, Associate Prof., Pathology	Reported after 11.00 AM	She reported on time and her attendance was marked in the Attendance Sheet in the presence of MCI assessors, Declaration Form along with all documents was verified and accepted by the assessors during the physical verification on the first day of assessment itself.	X	Copy of Affidavit from her is attached herewith in this regard.		
		3.	Dr. Nidhi Jain, Professor, Pathology	Reported after 11.00 AM	She reported on time and her attendance was marked in the Attendance Sheet in the presence of MCI assessors. Her Declaration Form along with all documents was verified and accepted by the assessors during the physical verification on the first day of assessment itself	XI	Copy of Affidavit from her is attached herewith in this regard.		
		Hence, there is no deficiency of Faculty.

Notes:**For purpose of working out the deficiency:**

(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.

(A) For Teaching Faculty:

- (a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
- (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
- (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/ category of the same department or any other department. e.g. excess of Assistant Professor

Signature of Assessors: (1) Dr. Raju G M. (2) Dr. Omprakash K.V.

Date: 11 April 2019

Signature of Dean/Principal: Dr. B.L.Bhardwaj (AMCH Shahbad M, Kurukshetra)

cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/ city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

7. Details of Faculty/Residents not counted/accepted.

(Only faculty/residents who signed attendance sheet before 11:00 am on the first day of assessment should be verified. (In case of Junior Residents/Senior Residents on night duty, 12:00 noon.) No verification of Declaration forms should be done for the faculty/residents coming after 11:00 am of the first day of assessment)

Sr.No	Name	Designation	Department	Remarks/Reasons for Not Considering
—	—	—	—	—

Physical verification with ID proof and all other documents were checked for all faculty and residents. Declaration Forms of all faculty and residents who has not appeared in last inspection and who has joined after last inspection are verified and attached herewith.

8. 1) Deficiency of Teaching Faculty: 1% (1 Associate Prof. is deficient in Dept. of Radio-diagnosis.)

2) Deficiency of Resident doctors: Nil.

Signature of Assessors: (1) Dr. Raju G M. (2) Dr. Omprakash K.V.

Date: 11 April 2019

Signature of Dean/Principal: Dr. B.L.Bhardwaj (AMCH Shahbad-M, Kurukshetra)
Adesh Medical College & Hospital
NH-1, Mohri, Shahbad (Jh)
