<p><i>Faculties at departmental or institutional level</i></p>		<p>much decentralized that the assessors team faced great difficulties in getting attendance sheet by 11 am. Many departments (Gen.Surgery, Obs and Gynae, Orthopaedics, Ophthalmology, Skin and STD, Psychiatry and Anaesthesia) submitted the attendance sheet much later than 11 am. Although we have physically verified all faculties, SR and JR of these departments, decision on this issue needs to be taken by MCI at the higher level.</p>
<p>ii) <i>Shortage of faculty</i></p>	<p>Since there are time scale promotion in the institute, hence, the persons at senior positions i.e. Sr. Prof./Professor are more than at junior position. The faculty (rank wise) available may be less at a given time but the total strength of faculty as per requirement is complete. As per MCI guidelines. Excess of Professors/Associate Professor can be counted towards deficiency of Assistant Professor in clinical departments.</p>	<ul style="list-style-type: none"> • As per calculation chart attached.

Remarks, if any:

1. No of cases included in the list of Surgeries includes such cases also which donot come in the category of surgery. After deleting such cases the no gets reduced by 30-40 %(e.g they have included some procedures of skin and VD department which donot come in the category of surgery have been included). Other procedures like syringing, ear pricking, chest tube changing, catheterization of urinary bladder, antiseptic dressing and also administration of Injection have also been included in the list of surgeries which is not correct.
2. Status of compliance of Physical facilities have been indicated in the respective columns as per their availability.
