S.No	Deficiencies Reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors After the Compliance Verification Assessment on 21.03.2015
1.	Inadequate area & Journal in Central Library (short by 10 sq. m, 10 Indian journals are less as per 2010 report)	<p>An area of 45 Sq mtrs was added to the then existing Central Library area. The total area now is 1635 Sq mtrs against the total area of 1600 Sq mtrs.</p> <p>A subscription order was placed on Prime Mag Subscription Service Private Ltd Delhi on 29.11.2012 (Copy enclosed) for 10 Indians Journal deficiency of which was pointed out in your report. The subscription has since been renewed for the year 2013-14 on 29.06.2013 (copy enclosed). We are now regularly having subscription of 70 Indian Journals and 30 Foreign Journals.</p>	<p>The total area of Central Library is 1635 Sq mtrs against the requirement of 1600 Sq mtrs.</p> <p>No of Indian journals are 70 and foreign journals are 35 available as per MCI requirements.</p> <p>So deficiency is rectified</p>
2.	Inadequate Residential Quarters for teaching & non teaching staff.	Residential quarters for 20% teaching and non-teaching staff are available. The number of staff quarters for teaching faculty available now is 26. As per your inspection report of 2009, the number was 12 and the deficiency was made up. The staff quarters available for non-teaching staff are 36. As per your inspection report of 2009, the number was 4. New construction was undertaken to address this deficiency.	Total 26 quarters for teaching staff and 36 quarters for non-teaching staff are available.

- q) Ms Shivani Raina. Lecturer Microbiology

Feedback evaluation of workshops and action taken reports on the basis of feedback obtained:

Orientation programme was very much appreciated by the MEU coordinator and with the help of the faculty members who subsequently underwent Basic Course Workshop. Changes were brought in the Medical Education technology for the benefit of the students. The use of audio visual aids increased and material for use of audio visual aids was more confidently prepared by the teachers and formal and informal discussions were carried out for the improvement of teaching programme. In a College Council meeting held to review the changes proposed by the MCI for modifications of the curriculum of medical students, faculty participated whole heartedly. Evaluation carried out on postgraduates, post workshop on medical education technology. It was revealed that the postgraduate students were highly appreciative of the content and methodology of the workshops and they felt that the training programme carried out was of high utility.

**Details of the CME/Workshop in Medical Education Technology
conducted by MEU**

A CME on principles of assessment of Medical Education was held on 27.9.2014 as per the guidelines of MCI which was attended by the faculty members and the residents of different disciplines.

Dr. R.P.Kudiyar, Director Principal while giving his introductory address laid stress on the need and importance of this academic programme in medical curriculum. Speaking on the occasion, Dr.Kudiyar emphasized that in the modern technological savvy world, the medical teachers have to shun away the conventional methods of teaching and resort to the modern methodology. Dr.Anil Gupta gave an overview of the basis of assessment as per the modern methodology adopted. Dr. Nandita Mehta while addressing spoke on assessing professional competence of modern day medical teachers. Dr.D.S.Gulati spoke on examination system and compared the new system with the old system. Dr. Ravinder Gupta strongly favoured the relevance of objectively structured clinical examination(OSCE). The session was chaired by Dr. A.Kumar, Professor Surgery (former Director Principal ASCOMS).

Feedback evaluation of workshops and action taken reports on the basis of feedback obtained:
(Comments in the Annexure:1)

Annexure: 1

Orientation programme was very much appreciated by the MEU coordinator and with the help of the faculty members who subsequently underwent Basic Course Workshop, changes were brought in the Medical Education technology for the benefit of the students. The use of audio visual aids increased and material for use of audio visual aids was more confidently prepared by the teachers and formal and informal discussions were carried out for the improvement of teaching programme. In a College Council meeting held to review the changes proposed by the MCI for modifications of the curriculum of medical students, faculty participated whole heartedly. Evaluation carried out on postgraduates, post workshop on medical education technology, it was revealed that the postgraduate students were highly appreciative of the content and methodology of the workshops and they felt that the training programme carried out was of high utility.

Water and Sewerage System

This Institution has a daily consumption of 4 lac ltrs of potable water for which we have an underground storage capacity of 2 lac ltrs and overhead tanks on the roof of hospital with a capacity of 1 lac ltrs (40+60 thousands ltrs).

Water is lifted up through water pumps which are housed in pump rooms where 15 HP pumps 3 Nos are working intermittently for 24 hours day and night. We have a spare 15 HP motor pump also for exigencies.

For hostels and housing there are separate overhead tanks in each block which are also periodically filled up for distribution by a well managed pipe line system.

It is a team of pump operators who work through out to run the system smoothly and without any break.

In the hospital as well as in the housing/hostels two types of pipe lines are laid to cater to bathrooms and sewage separately.

We do have a huge septic tank which takes care of the hospital discharge and the hostel on the one hand and a huge septic tank on the other side to take care of the college block. The sewerage lines directly find their entry into the septic tanks while the sullage is taken to the filtration plant directly. We do have a filtration plant which takes care of the effluent from the septic tank and which works on the principle of slow gravity system.

The comparatively clean effluent from filtration tanks is collected in a sump where a pump stands installed which supplies water through the pipe lines laid along the whole campus for plantation and gardening.

It may not be out of place to mention here that all the plantation and the greenery that we find in the campus has its source of watering through this very filtration plant and not even a drop of costly potable water has been utilized for this purpose.

This is the water supply and sewerage system that works in this institution of ASCOMS, Sidhra.

Subject: - Sanction of 500 H.P additional commercial Power load connection aggregating total load upto 1280 KVA in favour of M/s Acharya Shri Chander College of Medical Sciences and Hospital Complex Sidhra, Jammu.

Reference: - i. Development Commissioner PDD J&K's letter No: Dc/PD/TA-26/ASCOMS/J/2003 dated: 31-07-2003.
ii. ASCOMS's letter NO: ASCOMS/Elec/035/8548 dated 20-02-2004.

Office order No: - CEJ/TS-I/ 62 of 2004
Dated: -05-03-2004.

Persuant to the approval conveyed by Development Commissioner Power Development Department J&K's above referred letter, sanction for issuance of 500 H.P additional power load aggregating the total load to 1280 KVA is hereby issued in favour of M/s Acharya Shri Chander College of Medical Sciences and Hospital Complex, Sidhra Jammu subject to fulfillment of the following conditions:-

1280 KVA

1. The above Power load shall be fed from 3.15 MVA, 33/11 KV S/Stn. (Private) through 11/0.4 KV S/Stn. to be constructed at the cost of the consumer.
2. Capacitors of suitable capacity at 11 KV level shall be installed by the unit holder at his cost.
3. The consumer shall pay for the power he consumes in terms of tariff notified by the Power Development Department from time to time.
4. The sanction shall be valid for 90 days (Ninety) from the date of issue of this order and shall lapse thereafter.
5. The unit holder shall get the machinery/load inspected from Elect. Inspection Wing, Power Development Department before issue of physical connection.
6. The unit holder shall install combined CT / PT unit and tri-vector meter unit at 11 KV level as per specification approved by the Executive Engineer, Vijaypur Samba if not already installed.
7. The unit holder has to submit valid N.O.C from Pollution Control Board and D.I.C registration certificate before issue of physical connection.
8. Supply throughout the year will be made available subject to the restrictions imposed by the department from time to time.
9. Before issuing physical connection, the concerned Executive Engineer shall insure that arrears are cleared by the unit holder.

Contd. P-2

A+E (Electric)
for n.a. for.
-21.11.04

10. Power will not be supplied during morning / evening peak load hours.
11. The unit holder shall not use Arc Furnaces / Induction furnaces at any stage of production.

We do have a filtration plant which takes care of the effluent from the septic tank and which works on the principle of slow gravity system.

The comparatively clean effluent from filtration tanks is collected in a sump where a pump stands installed which supplies water through the pipe lines laid along the whole campus for plantation and gardening.

It may not be out of place to mention here that all the plantation and the greenery that we find in the campus has its source of watering through this very filtration plant and not even a drop of costly potable water has been utilized for this purpose.

This is the water supply and sewerage system that works in this institution of ASCOMS, Sidhra.

Gandotra, Professor Community Medicine: Attended 10 days National Teachers Training Programme at Maulana Azad Medical College, New Delhi.</p>

Chino

Kishore

N. Puri

<p>Feedback evaluation of workshops and action taken reports on the basis of feedback obtained (comments in the Annexure I)</p>	<p>: Orientation programme was very much appreciated by the MEU coordinator and with the help of the faculty members who subsequently underwent Basic Course Workshop, changes were brought in the Medical Education technology for the benefit of the student. The use of audio visual aids increased and material for use of audio visual aids was note confidently prepared by the teachers and formal and informal discussions were carried out for the improvement of teaching programme. In a College Council meeting held to review the changes proposed by the MCI for modifications of the curriculum of medial students, faculty participated whole heartedly. Evaluation carried out on postgraduates, post workshop on medical education technology, it was revealed that the postgraduate students were highly appreciative of the content and methodology of the workshops and they left that the training programme carried out was of high utility.</p>

Gandotra, Professor Community Medicine = 17.03.2004 – 26.03.2004</p>
Feedback evaluation of workshops and action	: Orientation programme was

taken reports on the basis of feedback obtained (comments in the Annexure I)

very much appreciated by the MEU coordinator and with the help of the faculty members who subsequently underwent Basic Course Workshop, changes were brought in the Medical Education Technology for the benefit of the students. The use of audio aids increased and material for use of audio visual aids was more confidently prepared by the teachers and formal and informal discussions were carried out for the improvement of teaching programme. In a College Council meeting held to review the changes proposed by the MCI for modifications and the curriculum of medical students, faculty participated whole heartedly. Evaluation carried out on postgraduates, post workshop on medical education technology, it was revealed that the postgraduate students were highly appreciative of the content and methodology of the workshops and they felt that the training programme carried out was of high utility.

RECORD NOTE OF MINUTES OF COLLEGE COUNCIL MEETING
HELD ON 20.08.2009.

A meeting of the College Council was held on 20.08.2009 at 11.30 AM in the office chamber of Director Principal, ASCOMS & Hospital. The following were present: -

1. Dr.A.Kumar, Director Principal : Chairman
2. Dr.V.K.Gandotra, Prof. Com. Med. : Advisor
3. Dr.Mumtaz Goni, Prof & HOD Physiology & Advisor Academics : Convenor
4. Dr.S.R.Anand, Prof & Head Surgery : Member
5. Dr.R.P.Kudiyar, Prof & Head Medicine : Member
6. Dr.Kamlesh Manhas, Prof & HOD Obs & Gynae: Member
7. Dr.Manjeet Arora, Prof & Head Radiology : Member
8. Dr.(Mrs.)Parveen Kaur, Prof & Head Micro. :Member
9. Dr.Arvind Khajuria, Prof & Head Pathology : Member
- 10.Dr. I.U.Sheikh, HOD Forensic Medicine : Member
- 11.Dr.R.N.Dubey,HOD Com. Medicine : Member
- 12.Dr. Jit Gupta, HOD HOD Anatomy : Member
- 13.Dr.Rajesh Gupta, HOD ENT : Member

The main agenda item was to discuss the observations of M.C.I. and to plan for measures to make up the deficiencies as pointed out by the MCI. The observations in regard to the deficiencies pointed out were taken department wise.

In the Pre clinical deptts. main deficiencies relate to the staff and space. The members agreed that the management is pursuing the recruitment of staff vigorously but there is difficulty since the staff availability in basic deptts. Is poor through out the country. Members from Pre clinical deptts. opined that the seating in the demonstration rooms and the equipment can be increased without any delay. It was suggested that new construction be made to fulfill the requirement of space.

In the Para clinical deptt. the deficiency of research lab can be fulfilled within the existing space. One practical lab for the students in the Pathology deptt. needs to

be equipped immediately. Work on Microbiology Museum is already going on and will be shortly completed.

It was noted with satisfaction that MCI inspectors were satisfied with the working of Hospital. There is deficiency of one lecture room in the hospital. Director Principal informed that management is taking steps for construction of lecture theatre. It was informed that the clinical departments require more equipment. The Director Principal advised that the requisition be sent immediately so that necessary orders be placed.

The meeting ended with vote of thanks to the chair.

At the out set Director Principal Dr.V.K.Gandotra informed the members that MCI has proposed certain changes for the restructuring of MBBS Course and has also asked for suggestion to improve the same. Dr.Mumtaz Goni explained the proposed measures in detail.

IMPROVING QUALITY OF TRAINING:- This is Proposed as the following measures.

(A) RESTRUCTURING OF MBBS COURSE:-

4 years course with 6 months elective and one year internship (1+1+2+1).

- a) **Integrated modular teaching** both vertical & horizontal.
- b) **Early exposure to clinical teaching** from 1st year onwards.
- c) **Subinternship / clerkship-** undergraduates will be posted in different department to work under the supervision of the Registrar & consultant in the out-patient, inpatient and emergency settings.
- d) **Introduction of electives:-** 6 months training in subjects like Bioinformatics, tissue processing computer, computer application, Ethical and legal medicine, immunology, Genetics, Sports medicine, Lab. Sciences etc.
- e) **Skills development and training:-** A mandatory and desirable comprehensive list of skills will be planned and recommended for the training of MBBS graduates and each doctor must get a certificate in skills training before licensure.
- f) **Secondary Hospital exposure:-** Each medical college would be linked to the local health care system including CHCs, taluka hospital & primary health care centres that can be used for training of MBBS graduates.

- g) **Contemporary approaches** to education, such as skills Lab. e. learning, m. learning and simulation.
- h) **Medical ethics and professionalism** to be incorporated in the medical curriculum.

(B) Medical teachers capacity building in education:-

Specific training programmes will be designed to help faculty and institutions implement the new curriculum.

Medical education unit:- Level 1 centre. Each medical college must have one MEU to conduct teachers training programmes in newer techniques such as simulation, research methodology, imparting computer skills and distance learning.

The MCI proposal was discussed in detail. The concept of externship has already been discussed in the previous meeting of college council.

Director Principal concluded the meeting with the remarks that skill laboratory must be established and all the members were of the opinion that the suggestions of the working group of the MCI should be supported. The suggestions invited from respective depts. will be submitted within three days to the office of Director Principal for onward transmission to MCI as desired.

The meeting ended with a vote of thanks to the chair.

7/5/14

At the outset the Director Principal reviewed the functioning of college council and its subcommittees. Next, the items on the agenda, already circulated, were taken one by one for discussion.

1. Teaching programmes of undergraduate students. The Director Principal advised the staff members to make use of audio-visual aids more often in teaching. He informed that Dr.V.K.Bhan, Prof.Community Medicine has been given charge of the equipment including laptops etc. and these are available for each lecture theatre. Prof.R.P.Kudyar HOD Medicine & Incharge MEU observed that during conduct of Clinical classes in the wards and emergency unit, the entry of patients and their attendants be restricted/regulated as they cause distraction. Prof.S.R.Anand highlighted the need for externship programme in clinical subjects for the final year students. Director Principal asked him to submit a detailed proposal & roster for the same.
2. Training programme of interns. Director Principal directed all the HOD to follow the guidelines of MCI in this regard in letter & spirit. Dr.Sheikh, HOD Forensic Medicine pointed out that the students must get provisional registration with J&K State Council before the start of internship. He was informed that in any case, Stipend is not released till provisional registration is submitted.
3. Attendance of Undergraduates. Some HODs reported that the students miss classes as the examinations approach & consequently tend to have shortage of attendance. In this context some members were in favor of extra classes and others of heavy fine. Director Principal suggested that the student guidance & counseling cell already constituted should take up this problem with the students and motivate them not to miss classes.
4. Training of faculty in education science technology. Prof. Gandotra informed that Prof.R.P.Kudyar has attended an orientation programme at CMC Ludhiana, the designated regional centre for the purpose and Prof. Pawan Malhotra and Prof. V.K.Bhan underwent basic three day training in education science technology and as per direction of MCI, for other staff members this training has to be organized at ASCOM5 itself under the guidelines laid down, Prof.R.P.Kudyar was requested to draft a proposal in this regard. Director Principal stressed the need for training younger staff members as a matter of priority. Director Principal further emphasized the need for holding CPC (Clinico pathological conference) every three months plus interdepartment meeting & grand rounds. Prof.Kudyar informed that interdepartmental meetings are held but should be made mandatory. Members were of the opinion that a roster should be prepared by the MEU and PG students should present the subject with the help of teacher as moderator.
5. Pharmacovigilance committee. Prof.Gandotra explained the concept of pharmacovigilance for which a committee has been set up as per direction of MCI. He stated that basically it is as per guidelines of World Health Organization and the national pharmacovigilance committee established in the Ministry of Health & Family Welfare. It is enjoined upon all the medical

institutions to report each adverse unknown drug reaction in the prescribed form to the committee for further action. Members requested that the forms be made available to each department and the guidelines circulated, which was agreed to .

Prof.Sadhotra suggested that hospital Drug Policy & hospital pharmacy policy be formulated and only generic drugs that are good and cost effective be prescribed to save money to the institution and benefit the patient on line of CGHS. The idea was appreciated. Meeting ended with a vote of thanks to the chair.

ADVICE ABOUT REPORTING

- Report adverse experiences with medications
- Report Serious adverse events. An event is serious when the patient outcome is:
 - death
 - life-threatening (real risk of dying)
 - hospitalization (initial or prolonged)
 - disability (significant, persistent or permanent)
 - congenital anomaly
 - required intervention to prevent permanent impairment or damage
- Report even if:
 - you're not certain the product caused adverse event
 - you don't have all the details although point nos. 1, 5, 8, 11, 20 & 22 (see reverse) are essentially required.
- Who can report:
 - any health care professional (Doctors including Dentists, Nurses, and Pharmacists).
- Where to report:
 - after completing, please return this form to the same Pharmacovigilance Centre from where you received.
 - a list of country wide Pharmacovigilance Centres is available at www.cdscn.nic.in.
 - in any case of doubt, you may send this form to the National Pharmacovigilance Centre at: Central Drugs Standard Control Organisation, Directorate General of Health Services, Ministry of Health & Family Welfare, Nirman Bhawan, New Delhi 110 011.
- What happens to the submitted information submitted:
 - the information provided in this form is handled in strict confidence. Peripheral Pharmacovigilance will forward this form to the Regional Pharmacovigilance Centres, where the causality analysis is carried out and the information is forwarded to the Zonal Pharmacovigilance Centres. Finally the data is statistically analysed and forwarded to the global Pharmacovigilance Database managed by WHO Uppsala Monitoring Center in Sweden.
 - the data is periodically reviewed by the National Pharmacovigilance Advisory Committee constituted by the Ministry of Health and Family Welfare. The Committee is entrusted with responsibility to review the data and suggest any interventions that may be required.

| 12.Dr.(Mrs.)P.Sadhotra,HOD Ophthalmology | : Member |
| 13.Dr.Nandita Mehta, Prof & HOD Anaesthesia | : Member |
| 14.Dr.Rajesh Gupta, Prof & HOD ENT | : Member |

Undergraduate teaching

At the outset Dr.Kumar, Director Principal reviewed the teaching programme of undergraduates. Members gave suggestions about the improvement of attendance and it was decided that the habitual absentee cases be forwarded to the Students Guidance & Counseling Cell. Dr.(Mrs.)P.Sadhotra and Dr.Pavan Malhotra informed that the habitual absentees have been counseled and improvement was achieved.

Girls Hostel

Members expressed desire that necessary steps be taken to shift the Girls Hostel to the ASCOMS Campus. The Director Principal explained that earlier the Girls Hostel was arranged at Gandhi Nagar, Jammu because of security reasons and now there is a proposal to construct the Girls Hostel in the College itself and the necessary measures have been initiated by the Project Engineer and it is expected that the Girls Hostel will be shifted to the ASCOMS campus in due course.

Reconstitution of Ethical & Research Committees

It was pointed out by some members that the tenure of these committees is nearing completion and new committees should be constituted. Some members expressed their view that some younger faculty members be also given a chance to be on these committees which was agreed to.

Central Research Lab.

The Director Principal advised the faculty members to make full use of facilities of Central Research Lab. The members desired to know the full details. In this connection they were informed that necessary provision will be made in case of specific requirements of any project submitted by any department.

Intern Training

Dr. V.K. Gandotra stated that the objective of intern training programme in all the departments as per recommendations of MCI have been circulated and if any Head of Department needs a copy of the same that can be asked for and the internship programme may be further strengthened in light of these recommendations with proper evaluation.

The meeting ended with vote of thanks to the chair.

| 16. Dr.Nandita Mehta, Prof & HOD Anaesthesia | : Member |
| 17. Dr.Rajesh Gupta, Prof & HOD ENT | : Member |

The minutes of the meeting held on 7th May 2011 were read out and got confirmed by the members. The members informed the chair that they have received adverse drug event reporting forms.

It was pointed out by staff members that students approaching frequently for postponement of examinations and it should not be agreed to and academic calendar should be strictly followed. The Director Principal stressed that no request coming from the students directly is entertained unless it meets the approval and is recommended by the concerned HODs who are supposed to initiate the schedule of examination after due consultation between them.

The problem of non-availability of cadavers for dissection purposes of the 1st Prof. MBBS students was raised by Prof. Jit Gupta, HOD Anatomy. The Director Principal informed that necessary steps are being taken in this direction by

Prof.V.K.Gandotra, Advisor Academics and it is hoped that the problem will be sorted out satisfactorily very soon.

The faculty members informed that the arrangements for use of audio visual equipment has turned out to be satisfactory and the equipment is being used regularly for teaching of the students.

The meeting ended with vote of thanks to the chair.

| 16. Dr.Nandita Mehta, Prof & HOD Anaesthesia | : Member |
| 17. Dr.Rajesh Gupta, Prof & HOD ENT | : Member |

At the outset Director Principal read out the minutes of the meeting held on 10.11.2011. The following items on the agenda were taken up by the members for discussions: -

- i) **Marking of Attendance by Teachers of undergraduate students:**
The Director Principal informed the faculty that it has been brought to his notice that some of the teachers are marking the attendance of the undergraduate students on pieces of paper and then they hand it over to the clerk in the department for entry in the attendance register. It was emphasized by the Director Principal that the teachers should carry the attendance register alongwith them when they go for the class and the attendance of the students should be marked and signed by the concerned teacher. The HODs informed that this must be happening in exceptional cases and they will ensure that proper procedure for marking attendance is followed.

- ii) **Internal Assessment:** The Director Principal described the correct procedure of internal assessment as prescribed by the University and enjoined upon the faculty members the importance of adhering strictly to the procedure. The HODs wanted to know about holding of additional examinations so that students can improve their internal assessment. Prof. V.K.Gandotra, Advisor Academics informed that this is encouraged by the University.
- iii) **Log Books of the Postgraduates:** The departments conducting MD/MS courses were enquired about the maintenance of Log Books by the Postgraduate students. The Director Principal was informed that the log books have been properly maintained and complete record of Postgraduate Teaching is meticulously maintained in the departments including the duty roster and seminar.
- iv) **Summer & Winter Vacations:** The faculty members were very particular that the systems of vacations as existing earlier should be reintroduced. They were informed that this matter will be shortly taken up with the Management and members of the faculty will also be invited for their inputs and it is hoped that the matter will be satisfactorily resolved.

The meeting ended with vote of thanks to the chair.

DEPARTMENT OF PHARMACOLOGY, ASCOMS & HOSPITAL SIDHRA JAMMU
Acharya Shri Chander College of Medical Sciences & Hospital
Sidhra, Jammu.

- No. ASCOMS/Pharma/ 365

Dated: -28-4 -2011

A meeting of the institutional Pharmacovigilance cell was held in the office chambers of Professor & Head, Department of Pharmacology on 24-04-2011 at 1:30 PM. The members who attended the meeting were

- | | |
|---|------------------|
| • Prof & Head, Pharmacology (In Chair) | Convener |
| • Dr. Shakti Balla, Assco. Prof. Pharmacology | Coordinator |
| • Dr. Archana Parihar, Asstt. Prof. Pharmacology | Nodal officer |
| • Dr. Ajay kumar, Asstt. Prof. Pharmacology | Member Secretary |
| • Dr. Reeta Sood, Assco. Prof. Dermatology. | Member |
| • Dr. Sanjay Bhat, Senior Resident Radiodiagnosis | Member |

At the outset the Dr. Pavan Malhotra, Convenor, stressed upon importance of Pharmacovigilance in the institutional set up. He also explained as to what the constituents of Pharmacovigilance are and why it is required. Also the Pharmacovigilance Programme in India along with the National Pharmacovigilance policy was discussed. Dr. Shakti Balla and Dr. Archana Parihar explained to the members as to how to do the causality assessment using Naranjos scale. Dr. Ajay Kumar discussed the importance of Pharmacovigilance set up in clinical practice.

Due to paucity of time it was decided to hold another meeting and resolved that a mock exercise may kindly be taken up before we actually make the Pharmacovigilance cell functional. Also further it was resolved that another meeting be called after summer vacations.

Meeting ended with a vote of thanks to the chair.

JAMMU**

No. ASCOMS/Pharma/ 371

Dated:- 18/08/11

A meeting of the Institutional Pharmacovigilance Cell was held in the office chambers of Prof. & HOD, Pharmacology on 18/08/2011 at 1.00 pm. The members who attended the meeting were:

- | | | |
|--|-------------------|------------------|
| • Prof. & Head, Pharmacology | (In Chair) | Convener |
| • Dr. Shakti Balla, Assoc. Prof., Pharmacology | | Coordinator |
| • Dr. Archana Parihar, Asstt. Prof. Pharmacology | | Nodal officer |
| • Dr. Ajay Kumar, Asstt. Prof. Pharmacology | | Member Secretary |
| • Dr. Reeta Sood, Assoc. Prof. Deamatology | | Member |
| • Dr. Sanjay Bhat, S/R, Radiodiagnosis | | Member |

The Convenor, Dr. Malhotra in his welcome statement requested the members to make the institutional Pv cell functional. Since it was decided in the last meeting that a mock experience need to be conducted and how the causality assessment is done need to be elaborated but before that a modality needs to be worked out as to how the ADR reporting is done. Dr. Shakti Balla and Dr. Archana Parihar were requested to work out the details with the members so that smooth functioning of the cell takes place. Dr. Ajay Kumar was requested to make the members aware of Naranjo's scale of ADR monitoring.

Dr. Shakti Balla made a brief presentation for the orientation of the members regarding working of Pharmacovigilance committee/ cell

Dr. Archana Parihar, explained the reporting of ADR'S - The facts & myths, while as Dr. Ajay Kumar explained the scoring as per Naranjo's scale.

Dr. Reeta Sood raised a query regarding reporting which was duly answered to her satisfaction.

Dr. Sanjay Bhat enquired about the ADR'S due to dye's used in Radiodiagnosis can be considered as a part of ADR reporting which was answered in affirmation.

Meeting ended with vote of thanks to the chair.

NOTICE

A meeting of Institutional Pv Cell was held on 16th January, 2012 at 1.30 PM in the office chamber of Prof & Head Pharmacology. Those who attended the meeting were.

Prof & Head, Pharmacology (in chair)	Convener
Dr. Shakti Balla, Assoc. Prof. Prof. Pharmacology	Nodal officer
Dr. Archana Parihar, Asstt. Prof. Pharmacology	Member
Dr. Rita Sood, Assoc. Prof. Dermatology	Member
Dr. Ajay Kumar, Asstt. Prof. Pharmacology	Member
Dr. Sanjay Bhat, S/R, Radiodiagnosis	Member
Dr. Narita, S/R, Obst. & Gynae.	

Dr. Malhotra while reviewing the outcome of the last meeting and after gathering information from the co-ordinator regarding the working commented that the pace of the work be increased as it was decided that other clinical departments should also be included especially the medicine and Surgery department. It was also suggested by Dr. Ajay Kumar that other clinical departments like ENT, Eye, Psychiatry, Obst. & Gynae, should also be invited the convenor informed the committee that despite repeated reminders the nomination from other clinical departments have not been received as yet. Further it was resolved that a final reminder may be given atleast to the Deptt. of Medicine, Psychiatry, Surgery to nominate their staff member who in addition to his duties would also work towards gathering information on Adverse Drug reactions.

It was also suggested that a room in OPD block be allotted to Pv cell where a person from the Pv cell would receive and report the ADR's if any. The convenor assured the members that this matter will be taken up with authorities during the forthcoming Pharmacovigilance committee meeting.

Dr. Archana Parihar, Nodal officer was requested to keep the record and maintain the register of all the reported ADR's.

The meeting ended with a vote of thanks to the chair

NOTICE

A meeting of Institutional Pv Cell was held on 18th April, 2012 at 1.30 PM in the office chamber of Prof & Head Pharmacology. Those who attended the meeting were.

Prof & Head, Pharmacology (in chair)	Convener
Dr. Shakti Balla, Assoc. Prof. Prof. Pharmacology	Nodal officer
Dr. Archana Parihar, Asstt. Prof. Pharmacology	Member
Dr. Rita Sood, Assoc. Prof. Dermatology	Member
Dr. Ajay Kumar, Asstt. Prof. Pharmacology	Member
Dr. Sanjay Bhat, S/R ,Radiodiagnosis	Member
Dr. Narita, S/R, Obst .& Gynac.	

At the very outset Dr. Pavan Malhotra, informed the members that a detailed plan has been formulated and for the information the ADR forms and other requirements along with the stationery items are ready which will be circulated to every department in due course. Also it was informed that the matter regarding working of Pv cell in hospital would be taken up with the Institutional Pharmacovigilance committee in next meeting to be held after summer vacation.

All the members were satisfied with the pace and development of the work and desired that the reporting be started at the earliest.

The cell was also informed regarding the intricacies involved in reporting and were told that in case of any confusion the convenor Pv cell/ any other members of the department of Pharmacology be contacted either personally or telephonically.

The convenor thanked all the members for their continued support and efforts in making the Pv cell functional. The meeting ended with a vote of thanks to the chair.

(Dr. Ajay Kumar)
Member Secretary, Instt. Pv Cell

**MINUTES OF MEETING OF INSTITUTIONAL PHARMACOVIGILANCE
COMMITTEE HELD IN THE OFFICE CHAMBERS OF DIRECTOR- PRINCIPAL ON
30-07-2012 AT 2:00 PM**

No.ASCOMS/Pharma/249

Dated: 01-08-2012

A Meeting of the Institutional Pharmacovigilance committee was held in the office chamber of Director-Principal on 30-07-2012 at 2:00PM. Those attended the meeting were:

Dr. A. Kumar	(In Chair)	Director – Principal
Dr. V.K Gandotra,	Advisor	Advisor
Dr. Pavan Malhotra,	Prof & Head, Pharmacology	Convener
Dr. R.P Kudyar ,	Prof & Head, Medicine	Member
Dr. S.R Anand,	Prof & Head, Surgery	Member
Dr. Lovi Padha,	Representing Dr. M.N.Gupta (Prof & Head, Orthopedics)	Member
Dr. Nandita Mehta,	Prof & Head, Anaesthesia	Member
Dr. Rajesh Kumar,	Prof & Head, ENT	Member

Dr. S.S Soodan, Director Medical, Dr. Kamlesh Manhas, Prof & Head, Gynaecology, Dr. P Sadhotra, Prof & Head, Ophthalmology could not attend the meeting due to pre-occupation. The co-opted members who attended the meeting were:

Dr. Sanjay Gupta, Prof & Head, Dermatology.
Dr. Kum Kum Sharma, Professor, Blood Bank.
Dr. Manjit Arora, Prof & Head, Radiodiagnosis.

At the very outset the Director – Principal thanked all the members in the meeting present for their continued support to the Pharmacovigilance Committee and apprised all the members that this Committee is a statutory Committee as per the guidelines issued by MCI.

Dr. Pavan Malhotra, Convener, while giving the details of the activities informed the Committee that for smooth functioning a Pharmacovigilance cell was created, so that day to day functioning of the Pharmacovigilance programme was carried out smoothly.

Dr. RP Kudyar suggested to expand the Pharmacovigilance cell and include more members from the clinical departments as part of the Pharmacovigilance cell.

Dr. S.R Anand, while sharing his experience on ADR's informed that he has seen ADR's with corticosteroids while using Triamcinolone diacetate three of his patients developed bronchospasm. He suggested to have the PV reporting forms distributed among the OPD's so as to report the ADR's encountered

The suggestions were well taken and all the members were assured that they will be receiving the forms shortly.

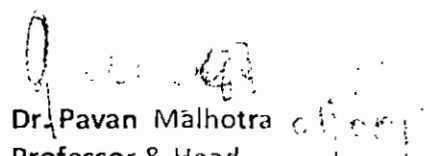

Dr. RP Kudyar and Dr SR Anand both were of the opinion that the matter of expansion of PV cell be taken up there and then and there was no need of issuing a letter again seeking nomination. The suggestion was well taken.

Dr. RP Kudyar nominated Dr. Kalyan Dutt Professor of Medicine & Dr. Sanjay Bhat, Lecturer from Department of Medicine , Dr. Nandita Mehta nominated Dr. Vanilla, Asstt. Prof & Dr. Amit Manhas, Senior Resident from Anesthesiology, Dr. SR Anand nominated Dr. Neeraj, Asstt Prof from Deptt of Surgery. Dr. Rajesh Kumar, nominated Dr. Rakesh Sharma from Deptt of ENT, while Dr. Lovi Padha nominated Dr. D.S. Gulati from Deptt. Of Orthopedics. Dr. Kum Kum Sharma, nominated Dr. Imran Pukhta and Dr. Poonam Sharma Senior Residents Blood bank. It was also decided to receive nominations from Deptt. Of Pediatrics Ophthalmology, Gynaecology and Psychiatry in a day or two

It was impressed upon by Director-Principal for prompt reporting and requested all the member to contribute positively for the success of the programme.

Also the Director-Principal informed the member that a symposium on Pharmacovigilance will be organized soon to make every one aware of the aims, scope and utility of Pharmacovigilance

The meeting ended with vote of thanks to the chair.

AUTHORISATION (RENEWAL) UNDER RULE 64 FOR OPERATING A FACILITY FOR COLLECTION, RECEPTION, TREATMENT, STORAGE, TRANSPORT AND DISPOSAL OF BIO-MEDICAL WASTE

To

The Director
Achiarya Shri Chander College of
Medical Science and Hospital, Sidhra, Jammu

The Board has scrutinized the information furnished by you and the proposal for management & handling of Bio-Medical Waste generated at your location mentioned below. After a careful consideration, it has been decided to grant authorization under Bio-Medical Waste (Management & Handling) Rules, 1998 (herein after to be called as rules) for a period and premises mentioned in this order.

1. File No. of authorization and date of issue 049/2011 dt. 09/4/2011
2. Proprietor of Achiarya Shri Chander College of Medical Science and Hospital, is hereby granted an authorisation to operate a facility for collection, reception, storage, treatment and disposal of Bio-Medical Waste on the premises situated at Sidhra, Jammu.
3. This authorization shall be in force for a period of Sep 2012 with 500 beds capacity.
4. This authorisation is subject to the conditions stated below and to such other conditions as may be specified in the rules for the time being in force under the Environment (Protection), Act, 1986.
5. Cat 1,2,3,4,6,7 (3010 kg/month) is generated and after initial segregation the waste is disposed off as per Bio-Medical Waste (Management & Handling) Rules, 1998.
6. The Authorization fees is valid upto September 2012.

[Signature]
9.4.2011
Member Secretary

Date:

Terms and Conditions of Authorisation

1. The authorisation shall comply with the provisions of the Environment (Protection) Act, 1986, and the rules made thereunder.
2. The authorisation or its renewals shall be produced for inspection at the request of an officer authorised by the prescribed authority.
3. The person authorised shall not rent, lend, sell, transfer or otherwise transport the Bio-Medical Wastes without obtaining prior permission of the prescribed authority.
4. It is the duty of the authorised person to take prior permission of the prescribed authority to close down the facility.

Effluent Standards:

The effluent generated should conform to the following limits:

Parameters	Maximum Permissible Limit
pH	6.5 to 9.0
Suspended Solids	100 mg/l
Oil & Grease	10 mg/l
BOD	30 mg/l
COD	250 mg/l
Bio-assay test	90% survival of fish after 96 hours in 100% effluent

6) Segregation & Storage of Bio-Medical Wastes:

- a) Bio-Medical Waste shall not be mixed with other wastes.
- b) Bio-Medical Waste shall be segregated into containers/bags at the point of generation in accordance with schedule II of the rules prior to its storage, transportation, treatment and disposal. The containers shall be labeled according to Schedule III of the rules.
- c) At the storage site "Bio-Medical Waste Storage Site" & "Danger" signboards shall be prominently displayed.
- d) The applicant shall take all steps to ensure that such Bio-Medical Waste is handled without any adverse effect to human health and the environment.
- e) The containers for storing segregated wastes shall be clearly identifiable. Colour coding of waste categories with multiple treatment options as defined in Schedule I, shall be selected depending on treatment option chosen, which shall be as specified in Schedule I of the rules.
- f) No untreated Bio-Medical Waste shall be kept stored beyond a period of 48 hours provided that if for any reason it becomes necessary to store the waste beyond such period, the authorised person must take permission of the prescribed authority and take measures to ensure that the waste does not adversely affect human health and the environment.

7. Transportation of Bio-Medical Waste:

- i. If a container is transported from the premises where Bio-Medical Waste is generated to any waste treatment facility outside the premises, the container shall, apart from the label prescribed in Schedule III of the rules, also carry information prescribed in Schedule IV of the rules.
- ii. Untreated Bio-Medical Waste shall be transported only in such vehicles as may be authorised for the purpose by the competent authority. The transport vehicles shall be prominently labeled as per symbols shown in Schedule III of the rules.

8. General Conditions:

- i. When any accident occurs at any institution or facility or any other site where Bio-Medical Waste is handled or during-transportation of such waste the authorised person shall report the accident in Form III of the rules to the Board forthwith.
- ii. Every applicant shall maintain records related to the generation, collection, reception, storage, transportation, treatment, disposal and/or any form of handling of Bio-Medical Waste in accordance with these rules and any guidelines issued.
- iii. All records shall be subject to inspection and verification by the Board at any time.

 (Sidhra)

5. (i) Mode of transportation (in any) of bio-medical waste :

By wheel Barrows

(ii) Mode(s) of treatment : Incinerator, Shredder, Chemical treatment filtration

6. Brief description of method of treatment and disposal (attach details) :

as per Schedule I

7. (i) Category (see Schedule I) of waste to be handled

(ii) Quantity of waste (category-wise) to be handled per month

720 kg Incineration
 105kg Sharps and Needles.

8. Declaration :

I hereby declare that the statements made and information given above are true to the best of my knowledge and that I have not concealed any information.

I do also hereby undertake to provide any further information sought by the prescribed authority in relation to these rules and to fulfill any conditions stipulated by the prescribed authority.

Date 30.7.2012.

FORM II

(See rule 10)

ANNUAL REPORT

(To be submitted to the prescribed authority by 31 January every year)

1. Particular of the applicant :

(i) Name of the authorized person (occupier/operator) :

(ii) Name of the Institution : Acharya Shri Chander College of Medical Sciences and Hospital Sidhra Jammu.

Address :

Tel. No. 2662536, 2662537, 2662538 & 2662539.

Telex No.

Fax. No. 2662360

2. Category of waste generated and quantity on a monthly average basis : AS per encloser.

3. Brief details of the treatment facility :

In case of off-site facility :

(i) Name of the operator

Sh. Jagdish Singh.

(ii) Name and address of the facility :

Tel. No., Telex No., Fax. No. 2662536-39.

4. Category-wise quantity of waste treated : AS per encloser

5. Mode of treatment with details : -do-

6. Any other information :

7. Certified that the above report is for the period from 1st of Jan-2011 to 31-09 Dec 2012.

Date : 30-7-2012.

Place : Jammu.

Signature (Signature)

Designation D.P.E Mech.

ACHARYA SHRI CHANDER
COLLEGE OF MEDICAL SCIENCES AND HOSPITAL
SIDHRA, JAMMU (J&K)

Sub: BIO-MEDICAL WASTE & DISPOSAL FROM 01-01-2011 to 31-12-2011

Waste Category No.	Waste Category (Type)	Quantity	TREATMENT OF Disposal
Category No. 1.	Human Anatomical Waste (human tissues, organs, body parts)	1550 kg.	Incineration
Category No. 2.	Animal Waste (animal tissue organs body parts carcasses bleeding parts fluid blood and experimental animals used in research waste generated by veterinary hospital, discharge from hospitals)	95 kg	Incineration
Category No. 3.	Microbiology & Biotechnology Wastes (Wastes from laboratory cultures stocks of specimens of micro organisms etc.)	520 kg.	Autoclaving & then incineration
Category No. 4.	Waste sharps (needles syringes scalpels blades glass etc.)	960 kg	Shredding/ chemical treatment
Category No. 5.	Discarded Medicines and Cytotoxic drugs (wastes comprising of outdated contaminated and discarded medicines.)	25 kg.	Incineration
Category No. 6.	Soiled Waste (items contaminated with blood and body fluids including cotton dressings soiled plaster casts lines bedding etc.)	6975 kg.	Incineration
Category No. 7.	Solid Waste (wastes generated from disposable items such as tubings catheters intravenous sets etc.)	1350 kg.	Chemical treatment <i>Mutilation</i>
Category No. 8.	Liquid Waste (waste garnered from laboratory and washing ,cleaning etc.)	1200 lts.	Chemical treatment and discharge finally into filtration plant
Category No. 9.	Incineration Ash	85 kg.	Filed in sealed container and finally land fill along with <i>At Present stored</i>
Category No. 10.	Chemical Waste (chemical used in production of biologicals, chemicals used in disinfections, as insecticides etc.)	-	N/A
