To,  
Secretary  
Medical Council Of India  
New Delhi

Sub: Compliance Verification Assessment of the physical and the other teaching facilities available for continuance of recognition of M.B.B.S. degree (100 seats) granted by Kerala University of Health & Allied Sciences, Thrissur in respect of students being trained at Co-operative Medical College, Kochi (Now Known as Cochin Medical College, Kochi).

Sir,

With the above reference to the subject, we have done the Compliance Verification Assessment of the physical and the other teaching facilities available for continuance of recognition of M.B.B.S. degree (100 seats) granted by Kerala University of Health & Allied Sciences, Thrissur in respect of students being trained at Co-operative Medical College, Kochi (Now Known as Cochin Medical College, Kochi) on 27<sup>th</sup> -28<sup>th</sup> June 2014.

Herewith we are sending our compliance verification report as under.

Sl. No.	Deficiencies reported from MCI	Compliance by College	Remarks of the Assessors
1.	Central Library - No information regarding area of the library available	a. Central Library The total area of the Library is 1600 sq.m. It has staff reading room (capacity 25) students internal reading rooms (capacity-100) interns reading room (capacity 25) external reading rooms (capacity-100)	The central library has 1600 sq. mtrs. Area certified by Govt. Engineer. The letter is attached herewith.. The internal reading room with 100 capacity, external reading room with 100 capacity, staff room with 25

28/6/14

*Signature*  
28/06/2014

		and room with computers and internet facility (25 nos) available	capacity and PG students reading room with 25 capacity are available. The internet facility with 12 units are available.  So Deficiency is rectified.
2.	Although total number of hostel accommodation for students are adequate but not as per MCI norms.	Hostels for male and female students are available as per norms. Two ladies and Two men's Hostel are available. Students are accommodated in twin / triple rooms.  The reporting of 4 students each Ladies hostel was only because 1 <sup>st</sup> year students were placed in as ingle block to avoid ragging. Now the Ladies Hostel has been rearranged to ensure that all rooms have only 3 inmates. Additional room is also available and the total capacity is over 400 students.	The undergraduate students have total 168 rooms in Boys and Girls with total capacity of 418 against requirement of 375. The rooms are either three sharing or twin sharing. No rooms are now four sharing capacity.  So Deficiency is rectified.
3.	Shortage of hostel accommodation for interns by 25 (as per UG Committee remarks – needs to be clarified)	Two separate hostels are available for interns and residents as described in assessors report. The total capacity of the Male resident / intern quarters is 174. The total capacity of female	The interns have 50 rooms with twin sharing capacity. So total available strength in intern hostel is 100 which is against requirement of 100% of 100 interns. They also have 52 rooms with

*Pankaj*  
24/6

*G. R. D.*

		<p>resident / interns quarters is 152. per MCI requirement the total accommodation required for Intern 100 and total capacity for residents accommodation is 85. The total capacity of our male and female accommodation is as has been described in the assessors report which is 326 is in excess of MCI requirement of 185.</p>	<p>twin sharing for resident doctors with total strength of 104 against the requirement of 103.</p> <p>So Deficiency is rectified.</p>
4.	Residential Quarters – As per Assessors report residential quarters available, however details regarding the same is not mentioned.	Residential quarters available for teaching faculty are 42.	<p>Residential quarters for teaching and non teaching staff are not available.</p> <p>So Deficiency is still persisted.</p>
5.	AERB approval	AERV approval with Registration no is AERB / RSD / MX / Reg / KL0667/2013 and 10.05.2013 has been received.	<p>AERB approval for 300 mA, 500 mA , CT scan and 6 mobile x- ray units are available. The copies of those are attached herewith.</p> <p>So deficiency partially is rectified.</p>
6.	Shortage of radiology X-ray machine of 1x300 mA & 1x500 mA. IITV Fluoroscopy is not mentioned.	X-ray machines of 300 mA. 500 mA and Fluoroscopy are available.	<p>There are still shortage of one 300mA and one 500 mA x-ray machine.</p> <p>800 mA x-ray machine with fluoroscopy is non functional for long time and its AERB approval is not available.</p> <p>So deficiency is still persisted.</p>
