The Secretary,  
Medical Council of India,  
New Delhi.

Sub:- Compliance verification assessment on 18<sup>th</sup> April 2017.

Respected Sir / Madam

I have received soft and hard copies of duly signed A-III form. Assessment done by MCI Assessors on 18.04.2017 have noted down following deficiencies.

I disagree in the following points.

**1. There is only single examination hall of 250 capacity.**

But, we have furnished 2 other examination halls of 250 capacity each with 34 CCTV cameras in all. Dimensions are as follows:

Hall 1: 1800sq.ft+ 1800sq.ft.+ 3000 sq.ft.(Total 6600sq.ft)

Hall 2: 1200sq.ft+ 1500sq.ft.+ 800 sq.ft. (Total 3500sq.ft)

This is being used for conducting theory examinations throughout the year.

However when the assessors inspected these halls, one of them was being used for conducting final M.B.B.S. University Practical examination.This is being done only twice a year.

Hence, we reiterate that deficiency of examination halls have been corrected.

**2. M.R.D. is fully manual .**

But we have been taking active steps to make it fully computerized over last 3 years.

The whole project is sent herewith for your perusal and approval.

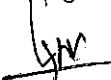

We had already intimated this to the M.C.I and asked for some more time to make it fully computerized.

Details are attached herewith.

**3. Common reading room of 200 capacity in the library has been physically verified by them.**

**Only 24 printed journals are available against 100 required.**

But supply order has already been given for 100 printed journals and we are expecting them shortly.
