4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Deficiency of Faculty is 11.32%	<p>The required number of teaching faculty as per MCI norms for recognition of the College is 106. The total strength of teaching faculty available as on the date of first day (10th April, 2019) of the inspection was 99. Of this, 94 Faculty appeared on the first day of inspection for faculty verification before 11 AM. Accordingly the assessors calculated the deficiency of faculty was recorded as 11.32%.</p> <p>The reason for deficiency was because four members appeared for an interview conducted by the Kerala Public Service Commission at Thiruvananthapuram on that day for</p>	<p>1. List of all the faculty attendance is attached (Annexure – 1)</p> <p>2. Declaration forms of the faculty those who have not attended last MCI inspection are enclosed</p> <p>3. As on today 96 faculties were present. So the deficiency of faculty is 9.4 %.</p>

	<p>which they were granted leave(copies of interview call letters are attached). The other member who was recently married was granted leave for that day. However, he appeared in the afternoon of the first day for physical verification, but was not accepted by the assessors.</p> <p>The four members who went for interview at Thiruvananthapuram also appeared on the second day(11.4.2019) but were not accepted by the assessors.</p> <p>In this connection it may be noted that the above five faculty members are working in this College for the past several years and have been accepted by MCI assessors during previous inspections. Hence it is requested that they may also please be added to the strength of the College along with the strength noted in the assessment report already submitted by the assessors. Thus the total faculty members available in this College would be 99, instead of 94 reported by the assessors. Thereby the deficiency would be reduced to 6.60%. Though every effort was made by the College repeatedly inviting applications for appointment to vacant posts through wide</p>

		<p>publicity to fill up the remaining posts to achieve the minimum requirement of staff strength as 106, it could not be achieved. However, the College is trying to fill up the remaining 7 faculty posts.</p>	
2	<p>Deficiency of Residents is 11.29%.</p>	<p>The required number of Residents as per MCI norms for recognition of the College is 62. The total strength of Residents available as on the date of first day (10th April, 2019) of the inspection was 56. Of this, 55 Residents appeared on the first day of inspection for Residents verification before 11 AM. Accordingly the assessors calculated the deficiency of Residents as 11.29%.</p> <p>The reason for deficiency of one Senior Resident (Dr.Shifa Begum) in the Department of Paediatrics was due to sanctioning of Casual Leave for that particular day on religious ground.</p> <p>She also appeared in person in the second day(11.04.2019) before the MCI assessors but not was accepted. In this connection it may be noted that the particular Resident is working in this College from May 2015 onwards and she was</p>	<p>1. Declaration forms of the residents those who have not attended last MCI inspection are enclosed (Annexure 2)</p> <p>2. As on today 57 residents were present. So the deficiency of faculty is 8.04 %.</p>

		<p>accepted by MCI assessors during previous inspections.</p> <p>It is requested that Dr.Shifa Beegum who appeared in person on the second day may be accepted and include in the staff strength of this College along with the number of Residents indicated in the assessment report already submitted by the assessors. Thus the total residents available in this College would become 55, instead of 54, reported by the assessors. Thereby the deficiency would be reduced to 9.67%.</p> <p>Though every effort was made by the College repeatedly inviting applications for appointment to the vacant posts through wide publicity to fill in the remaining posts to achieve the requirement of staff strength as 62, it could not be achieved. However, the College is trying to fill up the remaining 6 Resident posts.</p>	
3	OPD is 240 (appears a wrong entry).	As per the assessment report on the first day of the Inspection (10.04.2019) the OPD attendance in the teaching hospitals (District/Women & Children's Hospital) was noted as 240 whereas the actual OPD attendance is 1116 & 340 in the District Hospital and Women & Children's Hospital respectively.	As per the inspection the OPD attendance in Teaching Hospital is 1701. Deficiency being rectified

		A copy each of the OPD attendance of teaching hospitals is attached	
4	01 Examination Hall of 1x120 available. Other hall of 250 is unfurnished.	There is already a furnished examination hall for 120 students. An Examination hall with a capacity of 250 students has been constructed in the Main Block of the College. Action has already been initiated to furnish the same urgently for which supply order for furniture has been issued; a copy of which is attached and it will be ready for use by 31 st May 2019.	An Examination hall with a capacity of 250 students has been constructed in the Main Block of the College. The supply order for furnitures is placed (Annexure - 3) Deficiency being rectified
5	Lab area is deficient by 800 sq. mt. (This observation is pertaining to Library area and not Lab area)	The required area for Library is 1600Sq.mt. The deficiency therefore is 800 Sq.mt. This will be rectified by shifting the para-clinical departments namely, Pharmacology, Pathology and Microbiology which are presently functioning on the floor covering an area of 1134Sq.mt. and this space will be utilized for Library. Thus the available area for Central Library would become 1934 Sq.mt. which is in excess of the requirement. Therefore, the reported deficiency may be treated as rectified.	The construction work for para-clinical departments is near completion in Main Block. The old departmental areas will be utilized for the Library. Deficiency being rectified
6	Outside reading room with the capacity of 100 is not	The existing Examination Hall with a capacity of 120 students	The existing Examination Hall with

	available.	is being shifted to the main block which has a capacity of 250 students. Consequently the vacant area will be converted as outside reading room by 31 st May, 2019.	a capacity of 120 students is being shifted to the main block which has a capacity of 250 students. Consequently the vacant area will be converted as outside reading room. Deficiency being rectified
7	Books are deficient by 950 in Central Library.	The supply order for 975 books for the central Library has been issued on 02.05.2019;a copy of which is attached. Therefore, the reported deficiency may be treated as rectified.	312 books are received and shortly 663 books will be procured. (Annexure – 4) Deficiency being rectified
8	57 Indian and 30 International Journals are deficient.	A request has been made to the Kerala Medical Education Department for inclusion of this Medical College also in the Journal Consortium in order to allow the students of this college to refer the e-journals (Indian as well as foreign). The matter has been taken up at the Government level and a positive reply is expected soon.	At present 13 Indian Journals are available. A digital library is established with 42 computers and an internet connection. A request has been made to the Kerala Medical Education Department for inclusion of this Medical College also in

			the Journal Consortium in order to allow the students of this college to refer the e-journals (Indian as well as foreign). (Annexure -5) Deficiency being rectified
9	No Hostel for Residents, Interns and Nursing staff.	Presently the hostels for Residents and interns have been provided in the blocks adjacent to the Mens & Ladies Hostels respectively within the College campus.	Residents and interns have been provided rooms in the Men and Ladies hostel. Deficiency being rectified
10	No Residential quarters for Teaching and Non-teaching faculty	Action has already been initiated to provide accommodation for teaching and non teaching staff members by availing the facility on lease rent basis till the separate construction is completed. In this regard copies of correspondence with Indian Telephone Industries (A Central Government Public Sector Undertaking) Palakkad adjacent to the College campus is enclosed.	Action has already been initiated to provide accommodation. (Annexure - 6)
11	No internet, A.C. in reading room and in Hostel.	Action has already been taken for providing internet connection, A.C in the reading room and in hostels which is expected to be completed by the end of this month. Copy of	1.A.C is installed. 2. No internet connection

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.
