Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/ city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

Remarks by the Inspectors/Visitors regarding

a) Nature of the questions.

Satisfactory and covering all systems pertaining to General Medicine

b) Do they cover the whole filed of prescribed curriculum

Yes

c) What is the standard displayed in the answers.

Yes

d) What is the nature of assessment. **Satisfactory**

e) What is the minimum percentage necessary for passing the theory examination. **50 %**

f) What percentage of marks obtained at periodical examinations conducted during the course is carried forwarded to the final examination.

20%

g) Method of assessment of examination conducted during the course of study to be clearly stated.

Theory Evaluation-

1. Two Theory Sessional Examinations

2. One Pre University Theory Examination

Practical Evaluation-

1. Ward Leaving Test after each periodical posting in the Department of Medicine

2. One Pre University Practical Examination

h) How has it influenced the result at the final examination

Separate cumulative total of theory and practical internal assessment is forwarded to the university and constitutes 20% of the final mark obtained in the subject

Satisfactory

5. Long cases

16 long cases

6. Type of cases given (list may be attached)

List of cases attached in Annexure XI

7. Time allotted for study of the case.

40 minutes for long case

8. Nature of Discussion of case by the candidate

Satisfactory

9. Time of discussion

15 minutes discussion

10. Was the discussion fair, searching and sufficient practical?

Yes

Short Cases

1. Type of cases given (List may be attached).

List of cases in Annexure XI

2. How many cases were given to each candidate?

Two Short Cases for each candidate

3. How long did examination in short cases last for each Candidate?

10 minutes for each short case

4. Standard displayed by the candidates in general in the clinical part of the examination.

Satisfactory

5. How was the assessment done?

Discussion on the case of each candidate was done by two examiners jointly. The discussion was fair, searching and sufficiently practical

6. Was it done jointly by more than one Examiner?
