**Dissent Comments:**

1. Tutors in pre and para clinical departments are counted among the residents instead of faculty while calculation of deficiency. As per the MCI Norms the tutors are counted among the faculty hence I do not agree with the deficiency percentage calculated by the team of assessors.
2. Dr. Ashok Vidyarthi promoted and joined as Associate Professor, Orthopaedics on 05/07/2010 has appeared in MCI Inspection for Under Graduate at NSCB Medical College Jabalpur (M.P.) on date 02/08/2018. He was been promoted as Professor on 05/09/2018 at NSCB Medical College Jabalpur (M.P.) and has appeared as Professor in GMC Khandwa on 09/04/2019. So kindly consider the faculty as he has appeared as Associate Professor in previous institute (NSCB Medical College, Jabalpur) and as Professor in present institute in the same academic year 2018-19.
3. Dr. Hemant Ahirwar, Assistant Professor, general Surgery has appeared on 14/11/2018 for MCI Inspection for LOP at GMC Chhindwara (M.P.) but Government Medical College Chhindwara was not considered for LOP and now he is deputed in Government Medical College, Khandwa for MCI 1st renewal Inspection on 09/04/2019. Please consider the faculty for the same.
4. Government Medical College Khandwa (M.P.) is an autonomous institute run by the State Government of Madhya Pradesh. The Government of MP runs 13 autonomous medical colleges, since the Government Medical College Khandwa is a newly established medical college. The State Government has transferred a few faculties from other government autonomous institutes in the state who are surplus in the existing colleges. There faculty members who have seen transferred from other colleges were in surplus and there is no deficiency by their transfer supporting documents for the some are enclosed with the letter.

No./368/S.S./2019

Khandwa, Date:-10/04/2019

To,

**The Secretary General,  
BOG in Supersession of Medical Council of India  
New Delhi, India**

**Subject:** Regarding representation of Government Medical College Khandwa

Respected Sir/Ma'am,

As per MCI norms as mentioned on "page 14 of Form A-III, point no 1(A)a" the tutors are considered as faculty but the team of MCI assessors counted the tutors as residents while calculation of deficiency percentage. On the day of assessment total 71 faculties (Professor + Associate Professor + Assistant Professor + Tutors) were present and were verified and accepted by the MCI assessors as clearly mentioned by the assessors in the faculty calculation sheet on page number 10 of Verification of compliance form part A-III, hence 71 were available against the requirement of 85 which amounts to 83.5% (Deficiency of 16.5%) and not 19.04% as mentioned by the assessors.

Further I would like to bring is to your notice that:

1. Dr. Ashok Vidyarthi from Dept of Orthopeadics had appeared in MCI inspection at NSCB Medical College Jabalpur (M.P.) on date 02/08/2018. He was been promoted as Professor on 05/09/2018 at NSCB Medical College Jabalpur (M.P.) and has appeared as Professor in GMC Khandwa on 09/04/2019. So kindly considered the faculty as he had appeared as Associate Professor in previous institute (NSCB Medical College Jabalpur) and as Professor in present institute during the same academic year 2019-20.
2. Dr. Hemant Ahirwar, Assistant Professor, General Surgery has appeared on 14/11/2018 for MCI Inspection for LOP at GMC Chhindwara (M.P.) but Government Medical College Chhindwara was not considered for LOP and now he is deputed in Government Medical College Khandwa for MCI 1st renewal Inspection on 09/04/2019.
3. Dr . Vikas Gupta, Dr. Sanat Singh, Dr. Sevras Hingve and Dr. Sandeep Kumar Kanojiya were also transferred from other Medical Colleges and were not accepted by the assessors as they have previously faced MCI inspection in same academic year.

Sir please note that Government Medical College Khandwa (M.P.) is an autonomous institute run by the State Government of Madhya Pradesh. The Government of MP runs 13 Autonomous Medical colleges, since the Government Medical College Khandwa is a newly established medical college. The State

Government has transferred a few faculties from other government autonomous institutes in the state who are surplus in the existing colleges. These faculty members who have been transferred from other colleges were in surplus and there is no deficiency caused in the institute they were previously working. Letter of Dean's stating the same are attached for your kind perusal. Annexure 1 (Six faculty members were rejected on the basis that they have faced MCI inspection in previous institution)

4. If the six faculty members who were transferred from other Government Medical Colleges were accepted by the assessors the actual faculty count will be 77 (71+6), hence 77 were available against the requirement of 85 which amounts to 90.5% (Deficiency of 09.5%)

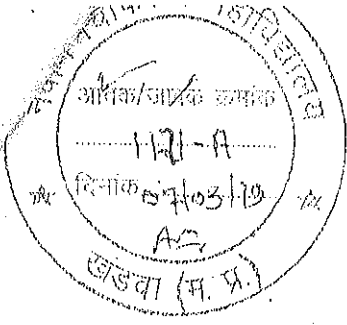

The assessment carried out on 09 April 2019 was a compliance verification inspection for which MCI has prescribed form A-III but the assessors did not allow the Dean to add a dissent note on form A-III instead filled Form A-II and then allows me to add a note on page no 11. Copy of A-II and A-III are attached for your kind perusal. - Annexure 2 and 3.

Please consider the above mentioned points and do the needful.

Yours sincerely,
