1. Type of cases given (List may be attached). : **List attached – Annexure 10**
2. How many cases were given to each candidate?  
: **2 Short Cases from General Surgery and 1 short case from Orthopaedics**
3. How long did examination in short cases last for each Candidate?  
: **10 to 15 Minutes for Assessment for Every Short Case**
4. Standard displayed by the candidates in general in the clinical part of the examination.  
: **Satisfactory**
5. How was the assessment done?  
: **The student was asked to demonstrate signs and interpret them towards provisional diagnosis and further evaluation of the case and discuss the management.**
6. Was it done jointly by more than one Examiner?  
: **Yes**
7. How many marks are allotted for clinical examination?  
: **100 Marks counted for clinical examination for candidate : Details of distribution is Annexure – 2**
8. What is the minimum percentage for passing the clinical part?  
: **50%**
9. Are marks obtained in any other part of the examination added on to that obtained in the clinical examination?  
: **Yes 30 marks as internal assessment in practical exams. Details attached in Annexure – 3**
10. Are marks given for clinical works done in the wards added on to the marks obtained in the clinical examination?  
: **Yes, It is a part of internal assessment.**
11. If so, to what extent?  
: **It is 30 marks out of 130 – attached Annexure - 3**
12. How has it influenced the result at the final examination?  
: **Significant**

(Method of assessment of clinical work in the wards may be clearly stated).
