4. Verification of compliance submitted by Institute:

Sr. No.	Deficiencies reported from MCI	Compliance by College sent to MCI	Remarks of the Assessors after the assessment
1	Deficiency of faculty is 19.30% as detailed in the report.	<p>We were having 97% faculty on the day of Inspection in our Institution. Due to following reasons, MCI Inspectors have not accepted the faculties, for which clarification is submitted.</p> <p><u>Incomplete declaration forms:</u></p> <p>In all the previous MCI Inspection in our Institution, the Inspectors had insisted to put the signature of the recently appointed faculties in the declaration forms in front of them. The same method was also adopted this time. The declaration forms were completed in all aspects except signatures. When the faculties were ready to put their signature in front of the Assessors, they were not permitted to sign in the declaration forms.</p> <p>Among the 15 faculties who were rejected by the MCI Inspectors 10 faculties were rejected because of incomplete declaration forms. The forms have been completely filled as per the latest format except signatures.</p> <p>Declaration forms were submitted to the Assessor in the morning, during head count when the faculties were ready to sign in the declaration forms but they were not permitted, eventhough they have signed in the morning 11.00AM attendance sheet.</p> <p>Hence, the said 10 faculties are eligible (list enclosed).</p> <p style="text-align: right;">Annexure - 1</p> <p><u>Postings in RHTC & UHTC</u></p>	Deficiency of faculty is 2.5% Deficiency Rectified.

		Inspection. So, Deficiency of Residents is less than 5% only.	
3	With regard to Dr. Gopisree Peringeth. Senior Resident in General Medicine, signature in Declaration Form & in attendance sheet does not match.	Dr. Gopisree peringeth, SR of Gen. Medicine has made initial in attendance sheet and full signature in the declaration forms, which was already clarified to the Inspector and the letter was given by her on the day of Inspection. Now, an explanation letter submitted on 24.01.2018 by her is enclosed. Annexure - 3	Not Applicable
4	Bed Occupancy at 10 a.m. on day of assessment was 34%.	Indoor bed occupancy on the day of assessment was actually 76.6% (in total of 544 patients out of 710 required beds) but the inspectors have recorded as 34% and only 242 indoor patients were available which is incorrect. The Department wise inpatients statistics is enclosed. General Medicine - 112 Out of 112 patients 66 were in the various ward and another 46 patients were gone for radiology (12), Physiotherapy (5), referrals (21), Echo - (2), Cardiology (3) and side lab (3) etc. So, on the day of Inspection the number of in patients in General Medicine was 112 General Surgery - 113 Out of 113 patients 82 were in the various ward and another 31 patients were gone for radiology (6), pre anaesthetic clinic (6), Endoscopy (7), Theatre complex (Major & Minor) (6), referrals (4) and Physiotherapy (2). So, on the day of Inspection the number of in patients in General Surgery was 113. Orthopaedics - 74 (Female - 33 & Male - 41) Female ortho ward there were 19 patients in bed 2 were shifted to OT, 7 were gone for Radiology, 4 patients were taken to pre anaesthetic clinic and one patient had gone for reference in	Bed Occupancy at 10 a.m. on day of assessment is 78 % Deficiency Rectified.

		<p>When we requested for the details of the department wise patient load our request was accepted by the inspector, but it was not provided.</p> <p>We are not aware how the figure of 242 patients was arrived. This information was given to the Principal only at 4.30 pm. But when it was checked with MS and concern HOD's the actual inpatients were 544. This was informed to MCI Inspector to verify but no reply was given by them.</p> <p>The signature of the Nurses were taken by the inspector without giving adequate time to read the contents of the paper, which is not acceptable.</p>	
5	<p>In Paediatrics ward, all admitted patients were non-genuine. They were school children & playing on beds.</p>	<p>As per clarification given by the HOD of Paediatrics, all 72 patients admitted in the paediatrics ward are genuine only. There were two students admitted on the morning from the nearby school who were wearing uniforms. They were admitted for vomiting.</p> <p>Few children who were due for discharge on the day, were playing on the beds which cannot be avoided. In facts all hospitals provide a play area in the paediatrics ward which is also available in our Hospital.</p> <p>Principal strongly objected that our staff nurse (Ms. Pascal Pushparani and Ms. Arokiya Sharmila) did not agree that the admitted children were healthy and non genuine. In fact the inspector folded the paper and asked the nurse to sign without showing the contents to read.</p>	<p>In Paediatrics ward, admitted patients are genuine. Deficiency Rectified.</p>

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together. (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only. (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor. (d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only. (b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department. (c) Any excess of JR cannot compensate the deficiency of SR in same or any other department. (d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

DEAN
Sri Venkateshwaraa Medical College
Hospital & Research Centre
Ariyur, Puducherry-605 102.

Date : 28/12/2017

To,
The Secretary I/c,
Medical Council of India,
Pocket - 14, Sector - 8,
Phase 0 I,
Dwarka,
New Delhi - 110077.

Sub.:- Surprise Assessment and Verification of the physical and the other teaching facilities available at Sri Venkateshwaraa Medical College Hospital and Research Centre, Puducherry (150 seats) on 28.12.2017 - reg.

Ref. No. MCI/34 (41) UG / 2018 - 19 Med / Dated 28/12/2017

Dear Madam,

- 1) After completing the assessment, we have given report with signature of 3 assessors to the Dean and Medical Superintendent. They have read it for more than One and half hours. At that time, we have asked them whether any point they want to clarify with us, we are ready to discuss it, but dean has said that report is okay but only in one point he mentioned disagreement that faculty and residents deficiency is higher so, please count / accept those faculty and residents who have not accepted due to late reporting or incomplete declaration form or not eligible due to any other reason. We have shown them D.F. & late attendant sheet and explained why we have not accepted them as per MCI norms. We also asked them, if any remarks are there, please give us in writing. But authority has not signed the report as well as not given any remarks also. They have even not given acknowledgment receipt also. After 2 hours, we left the college after giving signed report to Dean without acknowledgment receipt.
- 2) Clinical material of the hospital was very inadequate. Actually, indoor bed occupancy on the day of assessment at 10.00 AM was 26%. But we have counted / accepted / added those patients also who were not present in wards but gone for Laboratory and Radiological investigations, O.T.s, Cross reference etc., as claimed by staff nurses / doctors. So, final total beds occupancy on the day of assessment at 10.00 am was 34% (242 indoor out of 710 required beds)

28/12/2017
(Dr. M. B. Patel)

28/12/17
(Dr. M. Bhatta
Charya)

28.12.17
(Dr. Namaj Nath)

(Signature of each and every wards staff nurse showing how many number of beds and number indoor patients, in evidence sheet is annexed with the report. Softcopy of Photographs and Videography of indoor patients and vacant wards also attached with report.)

- 3) During head count many declaration forms were incomplete. There were no signature of dean or head of department or faculty / resident. Salary column were blank. D.F. were computerized typed by college office but faculty / residents do not know about any information of D.F. It seems that, faculty / resident only have come today for inspection purpose only. That's why most of D.F. were incomplete. No room number or quarter number mentioned in residents address column 1 (e) (i)., when we asked some residents about, why quarter / room number is not written, they said that they are not staying in campus / hostel / quarters. (Dr. Gopisree Peringeth, Senior Resident of Gen. Medicine department has given written statement in D.F. also) We have not counted / accepted such faculty / staff.
- (4) (a) Two residents and 12 (Twelve) faculty reported lately (as per norms) are not counted as per rules (Signature with time in late attendant sheet attached) Also two residents reported between 11 to 12 who are not on night duty. (written statement of these residents in attendant sheet attached) are not counted.
- (b) Attendance also has been taken in all operation theatres, ICUs, Labour room, casualty etc. (attendant sheet enclosed)
- (c) Dr. K. Selvakumar, Associate Professor, Surgery was on leave for National Conference; so as per rules we have counted him.
- (d) Dr. B. Neeharika, Tutor in Microbiology dept., was on maternity leave as per rules we have counted / accepted.
- (e) Two P.G. residents of General Medicine Dr. M. Mithun and Dr. S. Sravan Kumar who were posted for special training at Madras Medical College, Chennai. They were not present but we have counted / accepted.

28/12

(Dr. M. B. Patel)

28/12/17.

(Dr. M. Bhattacharya)

28.12.17

(Dr. N. Nath)

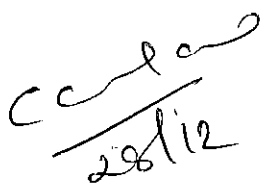

But we are requesting MCI to look into the matter whether, as per P.G. rules / regulation transfer / deputation / posting of P.G. Students outside other states medical college is permissible or not.

- (f) We have not counted lately reported six faculty / residents of General Medicine. Dean has claimed that they have been posted at RHTC – UHTC . But no posting order was there with HOD or Faculty or Residents. After we have asked for order, it has been prepared in front of us by one physiology professor on computer. There was no outward No also on it.

Thus, in the day of assessment faculty deficiency was 19.30% and residents deficiency was 37.20%.

Thanking You,

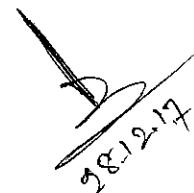

Yours Faithfully,

28/12

(Dr. M. B. Patel)

28/12/17.

(Dr. M. Bhattacharya)

4. Verification of compliance submitted by Institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	B.U. permission is not available as construction is going on.	Building Use Certificate is enclosed. Annexure - I	Deficiency rectified
2	Deficiency of faculty is 25.33 % as detailed in the report.	<p>As per MCI norms, we maintain 100% faculty strength in our Institution. On the day of Inspection, some of the faculties were distributed in Operation theatres (Anaesthetists & Surgeons). As there was a big crowd in the lecture hall, we could not identify which faculty has not signed in the attendance sheet. Some faculties could not come before 11.00 am for signing because they were engaged in the surgeries so they were not accepted in the faculty strength.</p> <p>Few faculties were on CL / EL and they have gone to their native places and their arrival after 11.00am was not accepted by the Assessor.</p> <p>Few of the doctors were on post duty off. They have not allowed for signing, so not included in the Attendance sheet before 11.00am but they came before 12.00noon on the day of inspection.</p> <p>07 Post graduate students / Tutors were not considered as faculty, Assessor demanded for an appointment order, even after submission also those PGs/ Tutors were not accepted as faculty by the Assessor. (Copy of Appointment order enclosed).</p> <p>100% faculty strength is available.</p> <p>Statement for Explanation given for not counted as Faculty/Resident dt. 17/7/2017 - enclosed</p> <p style="text-align: right;">- Annexure - II</p>	On the day of Assessment deficiency of faculty was 19.30%
3	Shortage of Residents is 33.72 % as detailed in the report.	10 Post graduate students / JR were not considered as resident, Assessor demanded for an appointment order, even after submission also those PGs /JRs were not accepted as residents by the Assessor. (copy of appointment order enclosed). 100% Residents strength is available.	On the day of Assessment deficiency of residents was 37.20%

		Statement for Explanation given for not counted as Faculty/Resident 17/7/2017 – enclosed.	dt.	4
			- Annexure - II	
4	Bed Occupancy was 38.59 % at 10 a.m. on day of assessment as verified by assessors	<p>29 inpatients (IP) were shifted to Operation theatres, 29 patients shifted to minor OT, 41 shifted to Pre Anaesthetic Assessment clinic, 60 patients gone for cross references to various departments and 63 patients for radiological Investigations, 15 patients gone for Physiotherapy department and 58 patients were in Annexure ward which was not seen by the inspector. Because of the above mentioned facts more number of patients (IP) was not in the ward at 10.00 am. So they were not included for census for bed occupancy by the Assessors.</p> <p>On considering above facts into account, we were having 78% (till 4pm) of IP on the day of Inspection and all these points were mentioned by Principal/MS/DMS, but inspectors refused to accept.</p>	Annexure - III	<p>Indoor Bed occupancy on the day of assessment at 10.00 am was 34% (in the total 242 indoor patients out of 710 required beds). Evidences sheet with signature of each and every wards staff nurses is attached herewith. Photographs and Videography soft copy are also attached with report.</p>
5	No woman was seen in Labour room at the time of visit.	<p>On the day of Inspection 2 normal deliveries were conducted, one in the morning at 9.00am and one in the night at 9.35pm. In the morning, after delivery the mother and baby were shifted to postnatal ward and the labour room was cleaned, which was inspected by assessor at 11.30 am at that time, no patient was in labour.</p> <p>On the day of Inspection at 11.30am the labour ward Assistant and staff nurses were engaged in the Emergency labour ward in the casualty to attend a case of incomplete abortion with shock. So no lady staff was available in labour room when the inspector visited at around 11.30 am.</p>	Annexure - V	<p>On the day of assessment 1 normal delivery and 2 caesarean section were performed.</p>

6	Data of Clinical Material, Major & Minor Operations as provided by Institute appear to be inflated.	Data of Clinical Material, Major & Minor Operations provided by the Institute was actual and it was not inflated and all these statistics were original.	5 On the day of assessment date of clinical material etc as per SAF Part- III para no. 5 report.
7	ICUs: There was only 1 patient in PICU & 2 in ICCU on day of assessment.	On the day of inspection, from the total 5 beds, 4 beds were occupied in ICCU, copy of ICCU register is enclosed. In PICU from the total of 5 beds 4 beds were occupied. Annexure - VI Hence there is no deficiency.	On the day of assessment PICU Nil patients, ICU – 03 Patients, ICCU – 04 Patients, SICU – 06 Patients.
8	Radiodiagnosis department: 3 Mobile X-ray machines are available against requirement of 6. 5 Static X-ray machines are available against requirement of 6. AERB approval is not available for many X-ray machines & also for CT Scan.	1. We are having six mobile X-ray machines in which 3 are not in working condition. Now we have purchased 3 new 100mA mobile X-rays and in total we have six mobile X-ray machines which are in good working condition with AERB approval. 2. We have six static X-ray Machines with AERB approval in good working condition. Purchase order has been placed for one new 800mA with IITV with fluoroscopy X-ray Machine. – Purchase order is enclosed. Annexure - VII 3. AERB available for CT scan. 4. One mammogram available with AERB approval. 5. Three C-arm X-ray machine available with AERB approval. 6. Cathlab is available with AERB approval. - All the AERB approval copy is enclosed. Annexure - VIII	Deficiency rectified
9	MRD: It is partly computerized.	The MRD is fully computerized which includes registration, admission, file tracking, ICD Data Entry and census (Statistics).	Deficiency rectified
10	Central Library: Only Internet area is air-conditioned.	Now central Library is fully air-conditioned.	Deficiency rectified

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together. (b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only. (c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor. (d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only. (b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department. (c) Any excess of JR cannot compensate the deficiency of SR in same or any other department. (d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations – 2000.

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/ city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

The Assessors reached the college at 9.30 AM and met the Dean and gave him the order of assessment along with the procedure of assessment in writing. All faculty excluding those in OT were directed to sign the attendance sheet by 11.00 AM without disturbing the working of the college and hospital. However finally the faculty and residents attendance sheets were allowed to sign the attendance sheets till 11.20 AM. Attendance of faculty and residents in OT were taken by the assessor in the OT. Despite instruction 2 departments Surgery and ophthalmology did not sign the attendance sheet and did not enter the name of the Departmental staff in the sheets. Faculty and residents of these departments identified during rounds were counted.

Respected Madam,

Sub: U.G. Recognition inspection for MBBS Course on 17.07.2017 &
18.07.2017 in Sri Venkateshwaraa Medical College, Puducherry
Supportive evidences from the college - Reg.

MCI Inspection was carried out in the lecture Hall in College in Sri Venkateshwaraa Medical College Hospital and Research Centre, Puducherry on 17.07.2017 by MCI Assessors. Faculty's attendance was started at 10.00 am and completed by 11.00 am. One of the MCI Inspectors has distributed department wise attendance sheets and asked the faculty to write their Names, Designation with signatures. At the same time, other two MCI Inspectors had gone for Inspection in the Hospital in various Departments and hence the Faculty of the concerned Departments had gone along with them. Soon a big crowd was there in the Lecture Hall at 10.30 am. So, we couldn't able to recognize whether all the faculty members of various departments have signed attendance sheet or not. By 10.45 am only we found that the faculty members of General Surgery & Ophthalmology were not signed and we informed them. Inspectors have agreed to accept surgeons who were in the operation theatre, post operative ward, ICU, SICU, General wards and in OPD. The Hospital is 100 meters away from the college. When the faculty members of General Surgery &

Ophthalmology came to college block at that time the MCI Inspector completed the attendance exactly by 11.00 am and he went for Inspection to Library and Hostels.

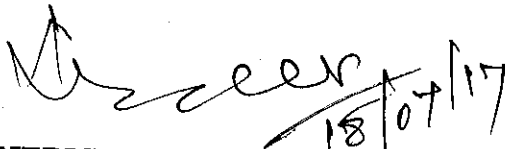

Since the attendance was carried out both Pre, Para, Clinical departments in the college block, there was lot of confusion because of that faculty of Surgery & Ophthalmology have not signed the attendance sheet except those who were in the theatre and those who were accompanied by Inspectors. Because of that it was not possible for us to show 100% attendance. This can be verified from our Bio-metric attendance which was taken on 17.07.2017 at 8.30 am.

The list of Faculty Members who were not present between 10.00 am and 11.00 am at the Lecture Hall, but they all registered in the Biometric system at 8.00 am on 17th July 2017 are enclosed herewith for your kind perusal and further action.

Bed occupancy on the day of Assessment as given in the MCI Assessor report as 274/710 (38.59%).

1. About 30 in patients (IP) were shifted to Operation theatres, about 30 in patients (IP) for Pre Anaesthetic Assessment and 40 in patients (IP) gone for cross references, remaining 30 in patients for Radiological Investigations & Lab Investigations. Hence, 130 in patients (IP) were not in the ward so not counted at the time of Inspection by the Assessor.
2. Yesterday (17.07.2017) was a local Adi festival day in Pondicherry so in patient load was decreased but today (18.07.2017) it has been increased to 75%.

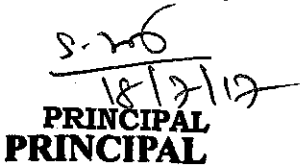

Thanking you,

18/07/17
