Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.
(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/ category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.
(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.
(B) For Resident Doctors:
(a) Excess of SR can be compensated to the deficiency of JR of the same department only.
(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.
(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.
(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.
(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.
(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

Dr. Ramesh Bharti

Remarks by the Inspectors/Visitors regarding

- a) Nature of the questions. ; Long and short questions and answer type
- b) Do they cover the whole field of ; yes
prescribed curriculum
- c) What is the standard displayed in the ; Satisfactory
answers.
- d) What is the nature of assessment. ; Answer sheets are sent to the
University, Chennai and not available
for inspection
- e) What is the minimum percentage necessary for passing
the theory examination - ; 50%
- f) What percentage of marks obtained at
periodical examinations conducted during
the course is carried forward to the
final examination.
Theory ; 20%
- g) Method of assessment of examination; Internal assessment were done at
Conducted During the course. 6th, 8th and 9th semester with theory
of study to be clearly stated. 30 marks and practical 30 mark.
- h) How has it influenced the result at the final examination;
It carries 20 % in Final examination
(Moreover, 35marks are required to appear in final examination)

II. Practical/clinical

How is the practical examination conducted give details.

Surgery:

1. Long case examination - 30 marks
2. Short case examination- 30 (2 X 15) marks
3. OSCE - 15 marks
4. Viva Orals - 15 marks

Ortopaedics

1. Short case examination- 20 (2 X 10) marks
