On 25<sup>th</sup> of April 2017, the total number of SRs and JRs on roll was 37 and 52 respectively, which was over and above the minimum requirement of residents.</li> <li>❖ It is needless to say that both SR and JR are working force in the clinical side and they are expected to be in the working place (department) before the arrival of Associate professors/ unit chiefs.</li> <li>❖ On the day of assessment, some of them have not signed in the attendance sheet issued by the assessor and before they reach the HODs chamber, to sign, the attendance sheets were collected by the officers assigned by the assessor. However, when the SRs and JRs present themselves before the assessor for head counting, they were not considered. The fact of the matter is that, the Senior Residents and Junior Residents who have signed in the attendance sheet before 11.00am and appeared for head counting were also not considered under the pretext of not staying or not found in the Resident quarters when the assessor went and verified the quarters on 25<sup>th</sup> evening. Laboratory data, OPD data and X-Ray data are inflated

7. Deficiency of teaching staff if any:

Shortage of teaching faculty is 17.03 %

8. Deficiency of resident doctors if any:

Shortage of resident doctors is 57.5 %

9. Any other Remarks:

Nursing personnel available 266 against the requirement of 372

Other deficiencies as mentioned in the report

Comment by Dean.

- 1) 25/4/2017 - declared as a Holiday by the district collector due to Srinagar Rannanath Chariot festival and hence OP census was low up to 1039.
- 2) 25/4/2017 - All operations pending, late unions, Transport issues, Bonus time extended, Trade Solidarity for the Bank or to support Arentness Plicht. Another reason for low census upto 4 reasons for faculty attrition is common.
- 3) JRS + SRs are available as per the norms but not considered for not stay (few) in the night.

Sir,

The quality of medical education is far below standards in CHENNAI MEDICAL COLLEGE HOSPITAL & RESEARCH CENTRE ( SRM group), Irungalur, Trichy, Tamil Nadu. I would like to bring to light the following to your notice;

- Baby deliveries are fake. Babies delivered in private hospitals( EG.Barkavan hospital, Tollgate, Trichy etc) are showed as if delivered in CMCH. Obstetric doctors in CMCH are not signing the birth registers but Dean & management are threatening them to do it or the doctors refusing to sign are being terminated from their job even though they have not committed any unlawful act.
- 50% of the IN PATIENT case sheets are fake records. A team of MBBS doctors are sitting and writing fake case sheets , fake lab reports, fake pre anesthesia check ups, fake operation theatre records, fake biopsy records and fake discharge summaries.
- Histopathology slides are borrowed from private labs in Trichy and shown to MCI inspectors as if done here.
- The average number of major surgery per day is only 3, and minor surgeries 5 but fake operation list is prepared everyday which shows 10 major surgeries and 15 minor surgeries.
- There are less than 50% MCI requirement of doctors in medicine, surgery, radiodiagnosis, anesthesiology and ophthalmology.
- Medicine wards are all empty on normal days and students have no cases to study but on day of inspection people are paid to act as patients and are shown full.

May be forwarded to  
MCI  
*[Handwritten Signature]*

7. There are no pediatric patients at all be it OP or IP.
8. The management somehow beforehand knows when the MCI inspectors are coming and according to it they create a dramatic scene during the day of inspection as if they are complying the MCI norms.
9. Anesthesia department is functioning only with 5 doctors for last 10 months. No surgery assistant professors are available. Ophthalmology has only one professor and one senior resident.
10. Reason: The management terminated 35 doctors in a single day once the MCI final inspection was over in September 2015 and 5 year approval was given for the institution.
11. Doctors in current days are a sorry figure with private institutions like this. And imagine the fate and quality of the MBBS students passing out from this institute.
12. Now that NEET is come and the management is unable to take 50 to 60 lakhs donation money for a MBBS admission they are still planning to reduce the faculty and their salary.
13. Here is the faculty list terminated in September 2015 immediately after the final MCI inspection.

There are many more doctors to this list. Apart from deficient faculty and study materials for the students during the day of inspection 30% doctors are brought in

as one day actors and are paid a months salary in cash. When I sought for information with Tamil Nadu Dr.M.G.R Medical University Chennai regarding the Professors, Assistant Professors and Senior resident the Tamil Nadu Dr.M.G.R Medical University requested to see the information in the website [www.cmchrc.ac.in](http://www.cmchrc.ac.in) and copies of the list as in the above mentioned website is enclosed herewith for your kind perusal.

14. Quality of patient care is very poor and mortality rate is very high in ICU and Casualty. There are no doctors to attend the patients during nights and weekends.
15. There are lot of part time doctors coming only once or twice a week.
16. Facial recognition biometric attendance is proof to all my sayings about deficient faculty if properly seized and inspected.
17. All wards and operation theatre have an original record and one MCI fake record.

To uphold quality of medical education in India kindly conduct surprise inspections to maintain quality education to next generation of doctors. It's a pity we will get treated by these kind of doctors passing out from institutions like CMCH. CMCH Management is high handed believing there is no inspection for next 5 years. If MCI inspectors stay in any hotel/residency/Lodge in Trichy the management gets alerted by hotel staff and get ready overnight and create a dramatic scene the next morning.

So I humbly request you to enquire and take proper legal action in this regard without delay. If no action is taken in this regard , proper suitable legal action will be taken through court of law at your risk and costs.

Yours
