Standard workload of Histopathology & Cytopathology is no where mentioned in MCI-MSR above investigations are performed for special kind of surgeries, on the day of inspection less no. of such surgeries were performed so the total no of Histopathology investigations on 18-08-2017 at 2.00 pm were 2 and Cytopathology were 05. Few more investigations were performed on that day after 2.00 pm so the final tally at 4.00 pm was 07 in cytopathology and 03 in histopathology. However on an average it remains 5	Histopathology workload is 08 & Cytopathology workload is 12 on day of assessment.
