4. Verification of compliance submitted by institute:

Sr. No.	Deficiencies reported from GOI/MCI	Compliance by College sent to GOI/MCI	Remarks of the Assessors after the assessment
1	Deficiency of faculty is 14.2% as detailed in the report.	In view of the deficiency pointed out, actually there is no faculty deficiency in this Institution because a total of 282 faculties are working in this Institute with valid Govt. Order for a considerable period of time. Unfortunately, some of them were not considered by the Assessors in spite of repeated requests from the respective faculties on the plea that they could not record their attendance within 11.30 a.m. as specified by MCI and some of them were on leave on valid ground duly sanctioned by the authority. The F-16, Salary slip and other relevant documents may be sent at any time if asked for to verify the validity of this explanation.	Faculty deficiency-14 out of 161 (8.69%) Residents deficiency- 3 out of 87 (3.45%)
2	Dr. Utpal Dan, Medical Superintendent has only 5 y 4 m administrative experience against requirement of 10 y.	As per available records the total administrative experience of MSVP almost complies the MCI requirement.	Complied as per the Certificate issued by the Principal.
3	OPD: Injection room is common for males & females. Demonstration rooms are not adequate.	Separate Injection Rooms are present which might have overlooked at the time of Inspection. Demonstration Rooms are renovated to meet up the requirement.	Complied
4	Wards: Distance between 2 beds is <1.5m. Ancillary	The distance between beds is maintained as per specification as far as possible in spite of having	Multi-storied (G+10) hospital building is

	facilities are inadequate in all the wards.	tremendous patient load of this Medical College Hospital which caters a huge area. The apparent over-crowding should be explained on the ground that none of the admissible patient can be denied admission as per verdict of the Hon'ble Supreme Court.	under construction .
5	Casualty: Disaster Trolley is not available.	Disaster Trolley in the Casualty is very much present which might have been overlooked inadvertently during Inspection	Status same.
6	MRD: It is manual.	MRD is at present moment is partially maintained manually and is in the process of computerization under the supervision of proper trained personnel.	MRD- is manual with no trained staff posted. The section has only one computer.
7	Central Library: Available area is 2,358 sq.m. against requirement of 2,400 sq.m. Capacity of Students' Reading room (Inside) is 100 against requirement of 150. Only 10 Internet Nodes are available against requirement of 40 & even out of these 10, only 2 are functional	It is astonishing to know that the available area of the Central Library is still shown to be 2358 sq.m. (as pointed in Inspection conducted in 2015 for renewal of 3 rd batch admission) in spite of addition of extra spaces to the existing Library to fulfill the MCI norms. Capacity of the students reading room has already been increased and the number of Internet nodes have been erroneously (don't why) mentioned to be 10 against the available 40 functional nodes in the Central Library at present.	10 Computers are available, out of these 10, 4 Computers are out of order. No Internet connection is available in Library. No Librarian, No Asstt. Librarian, No Cataloguer & No Documentalist are posted in the Library (Partially complied)
8	Anatomy department: Only 7	Necessary steps have already been taken to provide	Adequate number of

	Dissection Tables are available against required 18. NIL Half size Dissection Table is available against required 5. Only 40 Lockers are available against 150 required.	adequate Dissection Tables and Half size Dissection table as per need. Process of procurement for requisite number of Lockers & Dissection tables has already been initiated.	Lockers now available for use. (Partially complied)
9	Physiology department: Mammalian Physiology & Clinical Physiology laboratories are smaller than required & split into 2 rooms.	Necessary action is contemplated for the objections raised by MCI in relation to the Physiology and Biochemistry Departments.	Physiology department: Mammalian Physiology & Clinical Physiology laboratories are smaller than required & split into 2 rooms. There are only three clinical couches. Instruments are found non-function and are full of dust. New building is under construction to solve space problem.
10	Biochemistry department: Demonstration room is small in size than required.		New building is under construction. (Not complied yet)
11	Other deficiencies as pointed out in the assessment report.		Space for Central Research Lab is inadequate with no staff and equipment.

Notes:
For purpose of working out the deficiency:
(1) The deficiency of teaching faculty and Resident Doctors shall be counted separately.
(A) For Teaching Faculty:
(a) For calculating the deficiency of faculty, Prof., Assoc Prof., Asst. Prof & Tutor in respective departments shall be counted together.
(b) Any excess teaching faculty in higher cadre can compensate the deficiency of lower cadre of the same department only.

Prof.(Dr). R A S Kushwaha
Co-ordinator

Prof.(Dr). A.K. Pandey

Prof. (Dr). Vijayashath V.

Prof. (Dr.,) Sukumar Basak
Principal, Burdwan Medical College

(c) Any excess teaching faculty of lower cadre/ category in any department cannot compensate the deficiency of any teaching faculty in the higher cadre/category of the same department or any other department. e.g. excess of Assistant Professor cannot compensate the deficiency of Associate Professor or Professor.

(d) Excess/Extra teaching faculty of any department cannot compensate the deficiency of any teaching faculty in any other department.

(B) For Resident Doctors:

(a) Excess of SR can be compensated to the deficiency of JR of the same department only.

(b) Excess SR/JR of any department cannot compensate the deficiency of SR/JR in any other department.

(c) Any excess of JR cannot compensate the deficiency of SR in same or any other department.

(d) Any excess/ extra teaching faculty of same or any other department cannot compensate the deficiency of SR/JR. e.g. excess of Assistant Professor cannot compensate the deficiency of SR or JR.

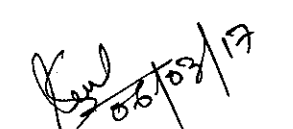

(2) A separate department of Dentistry/Dental faculty is not required where a dental college is available in same campus/city and run by the same management.

(3) Colleges running PG program require additional staff, beds & other requirements as per the PG Regulations - 2000.

Prof.(Dr). R A S Kushwaha
Co-ordinator

Prof.(Dr). A.K. Pandey

Prof. (Dr). Vijayanath V.

Prof. (Dr.,) Suktumar Basak
Principal, Burdwan Medical College

7. Details of Faculty/Residents not counted/accepted.

(Only faculty/residents who signed attendance sheet before 11:00 am on the first day of assessment should be verified. (In case of Junior Residents/Senior Residents on night duty, 12:00 noon.) No verification of Declaration forms should be done for the faculty/residents coming after 11:00 am of the first day of assessment)

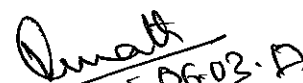

Sr. No	Name	Designation	Department	Remarks/Reasons for Not Considering

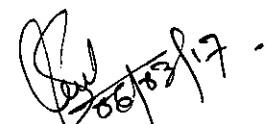

8. 1) Deficiency of Teaching Faculty: 8.69% (14 out of 161)

2) Deficiency of Resident doctors: 3.45% (3 out of 87)
